

## MINA'S MESSAGE

This morning we welcomed members of the **Rotaract Club of Sturt** along to join us for breakfast, thanks to **Trephina, Chloe** and President **Josh** for coming along. We also had the pleasure of friend of Rotary, **Paul Hector**, as well as my partner **Bob Hobbs** and **Jacqui Marano** from Norwood Morialta High School in attendance.

It is always an honor when one of the members of our club is recognised for their hard work and selflessness. On Tuesday, member **Sue Hector**, was presented with a **Paul Harris Fellow**. This award is an appreciation for everything Sue does as a member of our club and her daily life. The club, on Sue's behalf, contribute money to the Rotary Foundation of Rotary International who allays suffering, improving living conditions, and providing educational opportunities for young people somewhere in the world. Together we strive to build a world of understanding and peace. Well done Sue, a well deserved recognition and we are grateful of everything you do.

Today's meeting was **committee meetings**. A little different from the usual committee meetings. All members were split into two groups: **Membership** and **Fundraising**. Each group was given a couple of discussion points. There were some fantastic discussions happening, with a few action plans developed. **On the membership front, it was agreed that we need to be targeting more local businesses as well as local residents.** A flow chart is going to be developed which asks a person questions relating to attending a breakfast meeting. It was also discussed about having more mentor roles for current members. **On the fundraising front, we have set the goal of raising \$21,000 over the next Rotary Year.** Together with our regular events, such as the market and shed BBQ, we are looking at hosting a few other events and involving our school connections more. All in all, the wheels have been put in motion for the coming year.....I can't wait to start implementing these plans and getting our hands dirty!!

I am happy to tell everyone that **Bron Hyder** has accepted the role of writing birthday cards for members this year and **Licaria Scheepers** has agreed to organise some fellowship event for the year as well as helping with grant applications. Thank you ladies for your support.

## THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

## THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

## THE INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.

**Be a gift to the world**
