

MINA'S MESSAGE

It was great to see so many members and partners from the club at the **Combined Service Club Dinner** Tuesday night, held at the **Campbelltown Function Centre**. As always the event was well attended by all the local service clubs including, Lions, Kiwanis, Innerwheel and of course other Rotary Clubs.

Some of the cover charge and raffle money (about \$1,000) was kindly donated to the local **Meals on Wheels** (one of the charities the guest speaker supports). We were lucky enough to hear from His Excellency the **Honourable Hieu Van Le AO**, Governor of South Australia. Le is the 35th Governor of South Australia and has previously been the Lieutenant-Governor of South Australia. During his introduction we heard of his experiences as a refugee and how he fled Saigon on a boat with his wife Lan and about 40 other people, destined for Darwin. After arriving in Australia, Le attended the University of Adelaide, receiving an MBA and an Economics degree. He was a senior investigator and manager with the Australian Securities and Investments Commission from the early 1990s until his retirement in 2009.

Honorary Doctorates were awarded to Le by the University of Adelaide in 2008 for services to Society and Flinders University in 2011. His achievements continue as he was awarded an **Australian Centenary Medal** in 2001 for service to the advancement of multiculturalism in Australia, and appointed as an Officer of the **Order of Australia** in 2010.

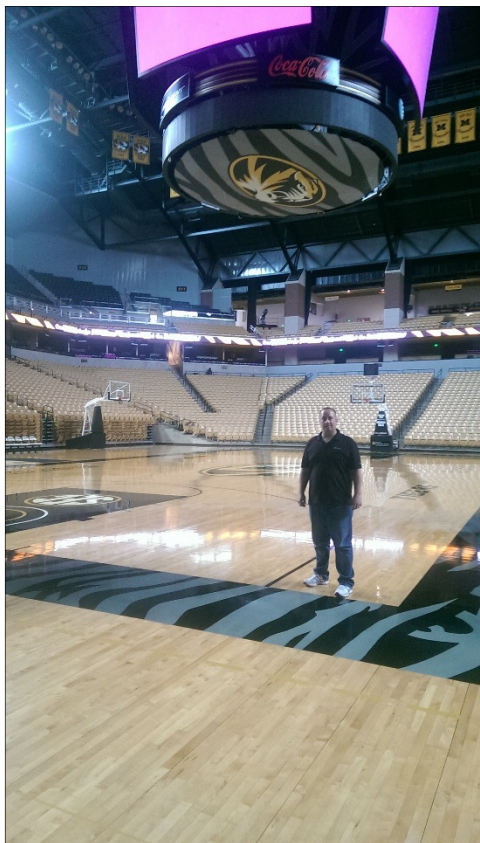

Listening to this prestige figure speaking, in a down to earth manor, was both heart warming and inspiring. Through adversity he was able to build such a prosperous life from an unfortunate beginning, proves to anyone it is possible. Le talked of the **generosity of spirit** he experienced when he first arrived in Australia and how this has been apparent throughout his life here. He urged all service clubs to use this spirit as a foundation to continue to make the **world a better place**, and expand the good work we do.

Fostering **multiculturalism** in South Australia is what Le continually strives for. During his speech he highlighted the fact that **Aboriginals** are the oldest living indigenous culture of the world. We should be proactively adopting a multicultural inclusion attitude by encouraging them, along with other cultures, to join our service clubs. In turn a more diverse membership equals an ever evolving club, with different dynamics and ideas.

As well as the Governor' inspiring address, we heard from **each of the service clubs present about their current club activities**. It is uplifting to hear about the fantastic projects happening locally and internationally thanks to the volunteers in the Campbelltown area. **I am proud to say I am a part of this fantastic network. Keep up the great work Sunrisers!!**

Continuing with the good news, it has been officially announced that member, **Kirsty Stark's**, first feature length film: ***A Month of Sunday's***, will be showcased at the **Toronto Film Festival**. This is a prestigious achievement in the Film World and we congratulate Kirsty on this achievement and wish her safe travels to Canada.

You'll all be happy to know that **Greg, is alive and well in America** and sent this lovely picture of himself in one of the stadiums he's working on at the University of Missouri.

Next weeks meeting we will be hearing from **Andrea and Jackie- teachers at Norwood Morialta High School and their school programs**. There will also be a couple of important presentations, so please make an effort to attend.

This will be my last meeting for six weeks, so if I don't see you on Tuesday....see you in October. There will be some updates coming from not so sunny England so watch this space!!

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

THE INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.

Be a gift to the world
