

MINA'S MESSAGE

Spring is here!! What a stunning start it was on Tuesday, with two very clear rainbows to greet us at the breakfast meeting, as well as a colorful sunrise! What a fitting morning to introduce two new **Honorary Members** to the club: **Christine Abbott** and **David McKenzie**. Christine is well known to the club as a charter member and wife of **Wayne**. Due to health reasons Christine, unfortunately had to resign from the club as an active member, but we look forward to seeing her at some of our events as an honorary member. **David** has been a fantastic support for **Carol** during her year as President in 2012-13 and now as club treasurer. He is also a very community minded person helping out with the local basketball and volunteering as a JP. We welcome him to our club as an honorary member.

Also thanks to honorary member **Jeff Neale** for coming along to breakfast this week- it's always great to see you Jeff.

Our guest speakers this Tuesday we from **Norwood Morialta High School (NMHS): Andrea Sarantaugas & Jackie Marano**. NMHS is known as having one of the best international environments in a South Australian School. We have had a strong relationship with the school for many years through different youth programs including Youth Exchange. As many of you would remember, our last Youth Exchange student **Carlo** from Italy, attended NMHS. In fact, in a recent email Carlo expressed what a fantastic experience he had at the school and how welcoming the staff were, in particular Andrea.

Currently, **Andrea** heads up the international programs and is in the process of rebranding and refreshing the schools public image. The schools core Values of Distinction, Diversity and Respect are reflected in all aspects of the International Programs offered at the school, of which there are many. **Jackie** is due to head off some students to Milan and Turin. Our club has donated \$300 towards this trip to help the students engage in this exchange program. There are several sister school programs with different countries including: Japan, Thailand, Italy and hopefully China in the near future.

It was really great to hear of the diverse international programs offered at NMHS and how culturally engaged they are as a community. Hopefully we can get Jackie and some of the exchange students along to talk to the club when they return.

Next meeting is a **committee meeting session**, where we will be discussing the plans for the upcoming Halloween night and an evening we are planning to host in October called Magill Traders night....Mark to explain more next week. Seeing as there are a few of us (me, Kirsty, Lindsay and Greg) away for extended periods over September, I ask that people please make a conscious effort to attend meetings and keep Colin company as he takes over the reins again, whilst I am away 😊

The End Polio Ute Relay starts in **Broken Hill** Saturday 26th September 2015, passes through three States, travelling via Sunraysia, the Riverland, Adelaide Hills and the Fleurieu Peninsula before it enters the Adelaide Metro area around 14th Oct and finishes after World Polio day on the **25th October 2015**. You can find the location of the Ute by going to the End Polio Ute Relay web site which has a complete list of the Staging Posts. Group 7 clubs are teaming together to organise the finally! It's likely to be a cricket game between Rotarians and the SA women's team....watch this space, please put the date in your diary.

A couple of things from the **Board meeting** on 19th:

- New board layout see sheets on table and committees which takes action from today.
- As a club we will be offering support to Susan Gascoine who is walking from Renmark to Adelaide next year in order to raise funds for CF. Sometime in the future we will be dedicating the proceeds from a market to her cause. If you have any bright ideas on how to help Susan in promoting this event or during the event, please speak with her husband Chris or contact Susan on 0405 259 221.
- Fees for the year have been set, please see Carol's email.
- A budget for the year has also been set, which Carol has if anyone would like to see a copy.
- Proposal for a Magill Traders night in November to be held at the Tower Hotel, encouraging local businesses to get together for an after work drink and network.
- We are supporting Anh Caprile from Rotaract Club of Sturt to attend the Success conference in Canberra by paying her \$120 registration fee...we look forward to hearing from her about her experiences.

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

THE INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.

Be a gift to the world
