

## MINA'S MESSAGE

---

Welcome back everyone and a happy 2016!

There was a fantastic crowd at this week's meeting. I am not sure if everyone was there to listen to Senior Constable Geoff Capper, or just excited to be back at Rotary, either way it was a fun meeting.

Geoff ran through some important safety issues relevant for our traffic marshalling ahead of the Tour Down Under (TDU). He told us that we can direct traffic, but have no authority to enforce it, although the Police could report someone for a flagrant breach of our directives. Safety should be our number one concern. There are many hazards on the road, not only cars, but over excited cyclists, sun/glare, undulating surfaces, weather, judging the speed of cars and pedestrians.

If you have not been a road marshal at the TDU, before it is a bustling day of ensuring VIPs get to where they need to and spectators are directed. Wearing a high visibility jacket and standing in an appropriate spot makes the job of marshalling a lot easier. The Campbelltown City Council are very good at supplying vests, and ensuring everyone is hydrated and happy.

---

The **advice given when signalling traffic to stop, is to place your hand out in a stop sign above shoulder height and with all your fingers pointing towards the ceiling.** Be assertive with your signals so the driver has no doubt what you are signalling. If the driver is ignoring your advice, you cannot stop them, but note down their details and report them to the police. In the case of the TDU, it is unlikely we will need to stop traffic.

Positions for marshalling on Thursday will be emailed out to volunteers over the weekend - please let Mina know if the times do not suit you ASAP so we can finalise the roster.

Some other notices....

- Last week, Gary and Marie Lockwood, celebrated their 50<sup>th</sup> wedding anniversary.....big congratulations guys!!
- If you wish to order a new club t-shirt or hat please let Ian Coat know.
- Pauline is taking charge of the club's 20<sup>th</sup> birthday celebrations in May - please let her know if you would like to help out.

## THOUGHT FOR THE DAY – 5 LESSONS IN LIFE FROM DR SEUSS

- 1) Today you are you, that is truer than true. There is no one alive who is Youer than You.
- 2) Why fit when you were born to stand out?
- 3) You have brains in your head. You have feet in your shoes. You can steer yourself in any direction you choose.
- 4) Be who you are and say what you feel, because those who mind don't matter and those who matter don't mind.
- 5) Today I shall behave, as if this is the day I will be remembered.

## THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

## THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

## THE INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.

Be a gift to the world
