
Every Tuesday and Friday at 10.45 (and newly added Sunday session at 4pm) at the Mercury, an A-list film is shown, as well as the opportunity to have a **cuppa and conversation** with friends. It has been noted that South Australia has the fastest aging population of the nation, and social isolation in the older generations is becoming a bigger problem. Seniors on Screen uses cinema to help tackle this problem and help develop a community.

The program also offers the opportunity for the **over 50's** to participate in workshops, learning how to get behind the camera themselves and make a film. On Tuesday morning we watched one of these documentaries called '**Flipping out**'. This fantastic five minute documentary gave us an insight to the Pancake Kitchen situated just off Hindley Street. Maybe we can use one of these films in our upcoming Reel Event?

If you want to find out more about the screening program head to their website:

In other news, thanks to all the helpers at the **Tour Down Under** on 21st January, it was a lovely day and great to be helping out in the local community. We have already received thanks from Cassandra and Rob at Campbelltown Council.

Another lot of thanks must go to Colin, John Capoccia's sons and Graham for helping out at the **Bunnings BBQ** on 22nd January. The weather was not as good as we had hoped for so the takings weren't as good previous BBQ's but I think fun was had by all.

The Rotary Club of Magill Sunrise has a fantastic record of contributions to The Rotary Foundation (TRF) through the Centurion Program. This makes us active stakeholders and supporters of the TRF programs. See link: <http://www.rotary.org.au/en/FOUNDATION/Pages/default.html>

Each \$100 donation to TRF goes a long way to helping the great work of the Foundation, including Polio Plus.

The current position on reported Polio cases indicates 100 cases in 2015. In the year 2014 there were 414 cases.

Our club subsidises the \$100 contribution. More on that soon.

We trust that our club will again be ongoing and strong supporters of Rotary's efforts to tackle some of humanities greatest challenges using the resources of The Rotary Foundation and our global network.

- There is a district Alumni event coming up on Wednesday 17th February at 6.30pm at the Joiners Arms, please let myself or Siony know if you are planning on attending. It would be good to have someone attend from the club.
- As mentioned in my email to members during the week, it has been suggested to the board that the club adopts 'homelessness' as a focus for the club over the next three years. The idea is that this will help with the club's strategic plan and development of projects. If anyone has any comments please feel free to contact me.

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

THE INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.

Be a gift to the world
