

MINA'S MESSAGE

What another beautiful morning it was on Tuesday. Bronnie was there bright and early to greet everyone.

Anyone read **Rotary Down Under** this month? It's great to see **D9520 feature heavily**, and especially **Group 7**. If you have a great story then make sure you get in touch with the team at Parramatta. Susan Gascoine I was thinking of you?

We welcomed **AG Don Will** to our meeting this week. Don reminded us of what fantastic club Magill Sunrise is. Some times when we are faced with new tasks or responsibilities it can be daunting and prevent us from talking that step. Our club over the last few years has struggled to find a **President Elect**. And this year is no different. Which is a shame. Being a President can be as big or as small a role that the person wants to make it. With the support of the Secretary and Treasurer, a President can merely be the face of the club - you don't need to change the world. As Lindsay said, this should be the best year of your Rotary life.

Don reminded us what a fantastic project our club has with the **Reel Event** and how it is like no other project in the district. We really do support our local community as well as punching above our weight with international contributions. Not only this, but we are a fun and welcoming club, definitely helping lead the change of the face of Rotary. In order for our club to continue all this fantastic work, we need to ensure we have a plan for Presidents over the next three years.

We have had three Past Presidents agree to share the next presidential term. We now need to put a President elect and nominee in place. If you are a member of the club and contemplating being President then now is the time to speak up. The first step is to take up a position on the board. This will then give you a better understanding of how the club works.

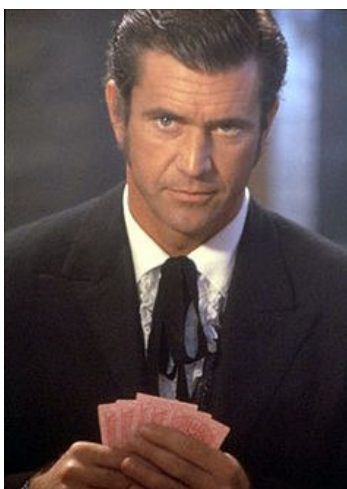

On another note, the club is beginning to promote **the fantastic guest speaker we have on 15th March, Jeremy Scott**. This guy has cycled from London to New Zealand and is keen to share his story. Click onto the Jeremy Scott website <http://www.jeremyscott.com.au/>

If you are in **contact with any cycling clubs**, sport fanatics or know someone who would be interested in coming along then please let me know.

Our next meeting will see **Stephanie Sinclair**, from **Mary MacKillop College** telling us about her life changing experiences at NYSF. It is fantastic that we are able to sponsor young people like Steph to attend these great Rotary programs. And added bonus for next week's meeting.....

JACKPOT

The card game has now jackpotted at \$20!! The rules are that you must take the money if you win.

A few notices:

- A reminder for people to contact the RC Campbelltown if they are wishing to attend their 50th birthday celebrations and pay them directly.
- It is unanimous that the club will be supporting homelessness for the next three years, we will begin to implement this in the club's strategic plan.
- RYPEN applications are open.
- I am needing volunteers from 20 -24 February to help present books to new born babies at Burnside hospital.
- Register for the conference! We have 9 attendees at this point.

Lindsay Davis

The Rotary Club of Magill Sunrise has a fantastic record of contributions to The Rotary Foundation (TRF) through the Centurion Program. This makes us active stakeholders and supporters of the TRF programs. See link: <http://www.rotary.org.au/en/FOUNDATION/Pages/default.html>

Each \$100 donation to TRF goes a long way to helping the great work of the Foundation, including Polio Plus.

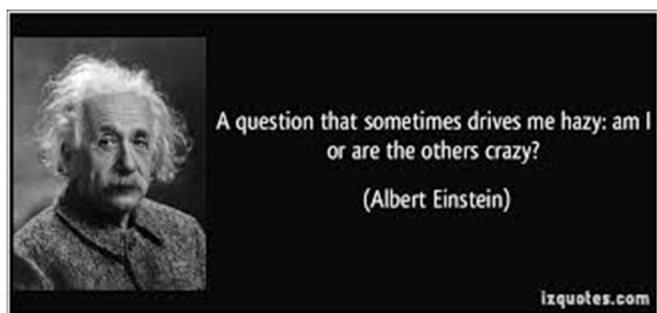

The current position on reported Polio cases indicates 100 cases in 2015. In the year 2014 there were 414 cases. Our club subsidises the \$100 contribution. More on that soon.

We trust that our club will again be ongoing and strong supporters of Rotary's efforts to tackle some of humanity's greatest challenges using the resources of The Rotary Foundation and our global network.

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

THE INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.

Be a gift to the world
