

## MINA'S MESSAGE

What a pleasure it was to have **Stephanie Sinclair**, her mum Anita as well as Josie and Cathy from Mary MacKillop College along at our meeting this morning. Steph attended the **National Youth Science Forum (NYSF)** in Canberra in January. Magill Sunrise has been a great supporter of NYSF and Steph is the most recent attended we have sponsored.

---

Steph spoke to the club about her life changing experiences and passion for everything **Physics**. As well as meeting many fellow science geeks from around the country, she was able to experience first hand some of the practical experiments carried out at universities and by many famous scientists. One of the fantastic benefits of **NYSF** is the exposure to the international science experiences available to young people out there. From the fantastic presentation Steph gave and the glowing praises from her teachers, it is obvious Steph is going places in this world and it is great to think **Magill Sunrise** has helped her get there. I look forward to hearing from Steph in the future and what she is up to.

**February appears to be the month for celebrating birthdays.** Happy Birthday to **Shirley** for the 21<sup>st</sup> and **John Kennedy** who's birthday is on 22<sup>nd</sup>. I am looking forward to going along this Friday to help **RC Campbelltown** celebrate their **50<sup>th</sup> birthday**. What a great achievement and it is fantastic to see the club going from strength to strength. Another big birthday is **Rotary International**. **On 23<sup>rd</sup> February RI will be celebrating 111 years.** As a way of celebrating there will be a gathering at **100 Rundle Mall between 11.30am and 1.30pm this coming Tuesday (23<sup>rd</sup>)** - there will be **birthday cake!!**

### **Club Project Memorabilia?**

To help members celebrate we are compiling a list of **projects** the club has been involved in over the **last 20 years**. **Can everyone please email Ian Coat** with a list of any club projects you can remember **before Monday** - thanks in advance!

### **President's Notes**

Thanks to **Carol, Suzette** and **Laura (Coat)** who have volunteered their time to attend **Burnside Hospital** along with Susan Brady from RC St Peters to present new born babies between 20<sup>th</sup> and 24<sup>th</sup> February with a copy of Mem Fox's book '*Ten Little Fingers*' as a gift from Rotary. This is a joint district program with D9500 to help celebrate RI's birthday.

Welcome back to **Wayne**, it was great to see you at the club on Tuesday!

Our thoughts go out to **Gary Lockwood**, one of our breakfast cooks, who is currently unwell. Speedy recovery Gary and we hope you are back home soon. Thank you to Leonie's son **David** who is currently helping out with breakfast.

Our meeting next **Tuesday, 23<sup>rd</sup> February**, will be about the **Eastern Health Handling Food** requirements, which will be presented by **Colin**. It is important for every member to be aware of these requirements, as food handling is a big part of the clubs fundraising as well as fellowship events. If you cannot make the meeting please send me an apology so Colin can send your details of the information we will be discussing. Of course there will be a little birthday twist.....**PLEASE KEEP READING BELOW THERE ARE IMPORTANT NOTES FOR THE DIARY!!!!**

## THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

## THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

## THE INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.

**Be a gift to the world**
