

MINA'S MESSAGE

Sharon Davey, was our guest speaker this week. She is the author of '**Awesome Careers for Gen Y**'. After 30 plus years in the education system, Sharon took the plunge and used her knowledge of career counselling to plant the seed of change when thinking about generation Y and their 'career ideas'. The book highlights the fact that the younger generation do not stay in one career anymore, mainly due to the rapid speed of change with technology and our environment. A lot of new industries have been created and some not even thought of yet. This is turn changes the traditional role/ jobs in the work place, with new roles being made e.g. social media manager and corporate blogger.

As a result of all this change, Sharon encourages young people to think about themselves in a different light. They should not be just thinking of themselves as a 'teacher', but more about the skills, beliefs, attributes and values they have. This will then mean people will change the way they explore for jobs and careers.

So, how do young people find out about themselves? Travelling, volunteering, playing sport and generally increasing their chances of understanding themselves through different challenges. It is important that employers, parents or 'older persons', be role models for the Gen Y's and be flexible and adaptable. **Make useful comments to encourage and reinforce when the younger generation are doing things well.** Gen Y are team players; they just need the right environment. Instead of asking 'What do you want to be when you grow up?' maybe ask 'What do you see your strengths are?'....

You can find out more about Sharon at www.awesomecareers.com.au, she is also on Facebook under Awesome Careers for Gen Y. **See attached PDF doc for summary of her address.**

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

THE INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.

Be a gift to the world
