

KIRSTY'S KRONICLE

This week's speaker was club member, **Susan Gascoine**, who gave her "**Behind the Badge**" talk. It was a great opportunity for all members to learn more about Susan and her life.

Susan attended Cabra and Mercedes before beginning her nursing training. While training, she was set up on a blind date with **Chris** Gascoine (also a club member). She said that when she walked downstairs to see him for the first time, she knew that he would be the person she would marry. Apparently he took a little more convincing, but after conning Chris into attending several balls together (Debutant Balls, as was the custom in those days) and having a great time, they married. Debutant Balls still survive. This link gives you an idea on what they were and are like: <http://debutanteballs.com.au/>

At the time, marriage meant that nurses had to quit work, and Chris' work took he and Susan **overseas**. They ended up living in **twelve countries** over the years, in between four children - a son and three daughters, who are now spread between here and Canada.

Susan and Chris have several grandchildren, and the second-youngest has **Cystic Fibrosis**, which inspired Susan to take on her **Renmark to Adelaide walk** for CF last year. It was a fantastic success, and Susan is now searching for sponsorship to begin another walk next year.

Susan's experience at last year's District Conference inspired her to join Rotary, and we're excited to have her as our newest member. Welcome, Susan!

ICE Forum

Thanks to **Mark** Thompson, who has volunteered to be our club representative at the next ICE forum meeting with other Group 7 Clubs.

No Regular Next Week's Meeting

There is no meeting on Tuesday morning, **in lieu of the Combined Services Dinner** Wednesday Evening. The **Board Meeting** will be meeting at **Hibernia** (in the old Magill Institute Building) instead, from 7:30am.

Jackpot!

Our card game has now hit a jackpot of **\$50**, so it's well worth getting out of bed the following week!

Thanks You from Eastwood

*A Thanks You from Andrew Kelly, Rotary Club Eastwood for supporting their recent Business Breakfast. \$1500 was raised for the **Hutt Street Centre**. See link:*

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

THE INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.
