

COAT'S COVERAGE

I was honoured to stand in for President Kirsty in her absence at last Tuesday's breakfast meeting.

The echo around the room brought home the absence of members who are either off travelling our country or the world. We were almost able to cram into one table. Nevertheless, there was plenty of good fellowship to be had. We welcomed the return of Campbelltown's **Jeff Neale** to our tight knit bunch that included guest speaker **Bevan Thulkanam**.

Service Above Self Awardee - Bevan Thulkanam

RC Magill Sunrise sponsors the **Service Above Self Award** at The **Norwood Morialta** High School. Last year was the **first time the award** was presented. Bevan's address underscored how worthy he was to receive this award. He spoke of his early years in **South Africa** surrounded by poverty and his enduring **desire to help others**. As a young person, Bevan already has the awareness and understanding of the importance and value of **Community** that normally takes people many more years to develop. In addition to Bevan involvement in the Student Representative Council (**SRC**) he also participated in the City of Campbelltown's Youth Advisory Council (**YAC**). We congratulate Bevan for his efforts to date and look forward to hearing about his future endeavours. Bevan is in his first year of Health Sciences at Flinders University with the aim of becoming an **Optometrist**. He sees this occupation as a vehicle for helping the disadvantaged.

Combined Services Dinner

In lieu of the previous week's meeting, many of our club members attended the **Campbelltown Council Combined Services Dinner**. While enjoying a three-course meal, we had the opportunity to learn about the fantastic projects being undertaken by the other service clubs in the Campbelltown Council area, including **Lions, Kiwanis** and Rotary's **Inner Wheel**.

The guest speaker was **Jenny Paradiso from SunTrix**, a Solar Panel Business, situated in Graves Street **Newton**, that she founded with her husband **David Hille** in 2009. We had a few laughs from Jenny's anecdotes about SunTrix's humble beginnings, like Jenny working from a phone and baby at the kitchen table and continuing to take orders while in the post-natal ward. Jenny told us of the ups and downs that the business has been through over the years, and her philosophies around providing value and treating customers well. Right up there with the **Customer Experience** was that of their **Employees**, who now total 25. It was great to hear about the company's success.

Lucky Draw Jackpot

The lucky draw now jackpots to \$55 for next week.

Mina's Aquatic Challenges

Mina's Channel Swim is still on hold. The poor weather has created a backlog of swimmers trying to swim the channel. The season will be closing soon, but Mina is still hopeful of getting a slot before the end. In the meantime, Mina and Bridget have decided to do the Scilly Swim Challenge <http://www.scillyswimchallenge.co.uk/> that involves six swims totalling 15km and six walks totalling 10km.

Kirsty: Attended Marie Hermanns' Presentation to Norwood Club

Several members of our club attended **Norwood** Rotary's meeting at the **Kensington Hotel** on Wednesday night. **Kirsty, Sue, Licaria** and guests **Victoria** and **Daniel** went to hear exchange student **Marie Hermanns** give a presentation about her home country of Germany.

Marie was very well spoken and gave a great insight into Germany's culture and history, as well as answering some difficult questions from the audience, including one about the integration of refugees into German society. Marie is looking forward to the next 11 months in Australia, and is happy to join Rotarians or friends for any activities or outings they think she might enjoy.

Kirsty's Weekly Challenge

This week's challenge is derived from Kirsty's recent visit to the Tasmanian Museum of Old and New Art (MONA) and is for all members to do something artistic or creative. It could be as simply as singing in the shower or colouring in a picture. There are some amazing adult colouring-in activities around now. For example, check out: <http://www.coloring-pages-adults.com/>

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

THE INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.
