

## KIRSTY'S KRONICLE

---

At Tuesday's meeting we had '*Rapid Fire Presentations*' from three of our members about **unique experiences** they have had in their lives. First cab off the rank was **Julie Carman**, who spoke about the trip she took with husband Ian on the **Trans-Siberian Railway** in the 70s. This involved many interesting experiences, including being pulled onto a moving train when it took off from one of the stations along the way, and cooking dinner on the floor of the cabin with other tourists after most of the train restaurant's stock was sold out of the window on the black market.

---

---

Next was **Susan Gascoine**, who was stuck in a traffic jam in **Lyon France** with husband Chris on Valentine's Day, and - seeing no rhyme or reason to the way traffic was moving Susan decided to jump out and **direct traffic**. Not speaking French, she somehow managed to make herself understood with a series of hand gestures, clearing the traffic jam and then jumping back into the car to continue on the journey.

Finally, we heard from **Mark Thompson**, whose exciting story from the Vietnam War in Saigon War involved **high jacking a plane with a bomb**. Mark, a Military Policeman, was sent in to defuse the situation (pun intended) because the offender was an Aussie soldier who wanted a quick return to Oz. The high jacker could fool our American allies, but not '*one of his own*'. Mark sorted out (another intended pun) the situation with some straight talking, to find that the "bomb" was in fact a box of socks and jocks. Mark then escorted the man from the aircraft, and order was restored.

It was fantastic to hear some unknown stories from club members, and I hope we can enjoy more of these sessions in future!

We also welcomed **Tyler**, who we sponsored as a **RYLA** student several years ago. Tyler has been heavily involved in Rotary youth programs since, and dropped in to let us know about the plans for **RYPEN** in the coming year. They are increasing their **intake of students from 45 to 90**, so it will be a fantastic program, and one that Magill Sunrise is proud to support. Great to see you again, Tyler!

#### **Weekly Challenge:**

After last week's wine challenge, I've instigated a food challenge this week. **Send through a photo of a meal you enjoy during the week**, and we'll show them off at next week's meeting.

## THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

## THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

## THE INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.
