

KIRSTY'S KRONICLE

NYSF ALUMNUS: EDDIE HAN

It was fantastic to welcome our most recent **NYSF (National Youth Science Forum) alumnus Eddie Han** to our Tuesday meeting, along with his Science Coordinator from **Prince Alfred College, Peter Hopkins**.

Eddie recently returned from the NYSF experience in Canberra, and spoke to us about his experience, including the lectures and presentations he attended, the fantastic 'Staffies (former alumni),' his chess challenges with buddy Max - including at the final disco, and even a game of air hockey with a robot.

Each year our club assist a Year 11 student to attend NYSF, and we are yet to have someone return having had a less than incredible experience. Eddie hopes to pursue Engineering at university and had a particular interest in any activity linked to this discipline.

After Eddie's presentation Peter Hopkins said a few words and presented us with a copy of the **PAC Science Journal**, which featured Eddie as its **Editor**. **Thank you Eddie**, and all the best with Year 12 this year!

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

THE INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.
