

KIRSTY'S KRONICLE

After a couple of weeks off in line with our practice of 'No Meetings after a Public Holiday' (Easter Monday) and Anzac Day falling on a Tuesday, **it was great to be back** at Hectorville Sporting Club for our regular morning meeting.

MICHAEL KASSARA: GUEST SPEAKER

This morning we welcomed **Michael Kassara** and **Karmen Petric** as guests. Michael was one of the recipients of our **Norwood/Morialta Service Above Self Award**. His presentation on his studies, extracurricular activities and ambitions was delivered with a maturity beyond his year. It's always inspiring to hear one of our award recipients speak with a passion, with a view to protecting the environment for the next generation. **Karmen** is one of **Michael's teachers at Norwood Morialta**, and shows great support to her students. Thank you for coming to hear Michael's presentation, Karmen!

DISTRICT CONFERENCE WRAP UP

Mark and Mari Thompson, Ian and Suzette Coat and Mina Ward were club attendees at 9520's District Conference Held at Mt Gambier (27th – 30th April). All plenary sessions were held in the **Sir Robert Helpmann Theatre**, which is right up when it comes to audience comfort. *'Three's a Crowd'*, students from the **James Morrison School of Jazz**, provided incidental music and later morphed into a big band, providing music for the Saturday Night Dinner.

Inspirational speakers ranging from **John (Swanee) Swann** to **Siva Ananthan** (Rotary in Malaysia) who made us laugh or cry, or sometimes both. There are some great ideas for future Club activities that we will talk about over the next few weeks.

A special mention must go to **Mina** for traveling a **round trip of almost 9000km** to be there for the first two days of the conference, arriving in Mt Gambier at 4:30am for an 8am start, delivering her presentation, looking after the youth exchange folk and heading straight home again. **Mina; what a machine.**

 - Visit one of the other Rotary Clubs in our area for a 'catch up' meeting and plug the event.
 - Give your Mum tickets for Mother's Day, and treat her to an afternoon out the following week.
 - Know some creative uni or high school students? Treat them to the opportunity.
 - Going to your weekly tennis match / book club meeting / ladies lunch? Suggest they all come with you to a great afternoon at the cinema.
 - Ask your hairdresser or doctor if you can print and leave some flyers in the foyer
 - Does your work have a client email list? Send them the information and ask them to spread the word.
 - Haven't seen your old school friends in a while? Suggest a catch-up over afternoon tea, with some great films afterwards.

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

THE INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.
