

## KIRSTY'S KRONICLE

---

### REPLAS (RECYCLED PLASTICS)

At Tuesday's meeting we welcomed **Robbie Westley** from **Replas**, who came to speak about the work his company does in recycling used plastic and turning it into a wide range of products within the community.

They obtain plastic from a multitude of sources, including plastic bags, bumper bars, hospital shrinkwrap and more, and then transforms into plastic bollards, outdoor benches, pathways, decking and more. Have a look at some of the amazing products on the *Replas* website: <http://www.replas.com.au/>

**Robbie** is obviously passionate about what he does, and *Replas* contributes a huge amount to the Australian environment, by redirecting used plastic from ending up in waste. Just one *Replas* bollard prevents over 2500 plastic bags ending up in landfill! Amazing work.

As a side note, you may care to look at the "**War on Waste**" program currently screening on the ABC on Tuesday evenings (or on iView). It's a huge eye opener as to the amount of waste in Australia: <http://www.abc.net.au/tv/programs/war-on-waste/>

**Club Member** and **Councillor** with the City of Campbelltown, **John Kennedy**, is well aware of the work *Replas* does with Local Government, including the City of Campbelltown and is shown in the picture below with Robbie, holding some of the raw product used by *Replas*

## WELCOME ROMEO

We were also lucky to have **Romeo Caporaso** attend our meeting as a guest. Romeo came along to our Business Networking evening last month, and will be **speaking at the club in June**, so it was great to welcome him to a meeting and introduce him to Rotary.

## THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

## THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

## THE INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.
