

## COAT'S COMMUNIQUE

---

### GUESTS

We welcomed **Jeff Neale** and the return of our travelling members, **Pauline** and **Colin Hill**, **Ian** and **Julie Carman**.

### FELLOWSHIP

Sue Hector has organised for us to have a casual meal at the **Hectorville Sporting Club** (i.e. our normal meeting venue) **this coming Thursday 14<sup>th</sup> September from 6:30pm**. It will be a great opportunity to talk in a much more relaxed pace, than during our normal meeting. Please let Sue Hector know if you are coming along.

Our fellowship coordinator, **Pauline**, spoke about our upcoming **Captain Proud Paddle Steamer** trip during the afternoon of **Sunday, 29<sup>th</sup> October**. Our special priced places appear full, but if you really want to go then please contact Pauline ASAP.

Our honorary but distant members, **Christine** and **Wayne Abbott** have invited us to a lunchtime **BBQ at their place in McCracken near Victor Harbor on Saturday 18<sup>th</sup> November**. Please put this date in your diary. Bring your own drinks and either a salad or dessert. Check your emails for the full address. Please let **Pauline** know before **07 NOV**, whether you are bringing salad or dessert so she can get the balance right.

### ROMEO'S INDUCTION

The highlight for this meeting was the induction of **Romeo Caporaso**. We initially met Romeo when he was a guest speaker and now he's a brand-new member. We look forward to Romeo's support of our projects. His ideas and enthusiasm for business networking is of special interest to us all.

## CLUB ASSEMBLY

In the limited time left during our meeting, those who attended the recent **District Membership Conference**. **Chris, Greg and Ian** attended the conference and spoke briefly about what they had learned and what may be relevant to the Club. The Conference threw up so many ideas, we all came out with our brains full. The **ideas** focussed around the importance of

- being welcoming to new members by dropping some of the unnecessary and outdated traditions, and being more relaxed;
- taking the opportunities opened up with the new Constitution, to create new membership models such as corporate or school-based memberships;
- focussing more of our energy on action and service in the community rather than the meetings.

This is only the start of a series of conversations for us and other Clubs. More to come.

# WEEKLY CHALLENGE: REFRESH/SET UP FACEBOOK

One of the **ideas coming from the conference** is the use of a **closed (not public) Facebook page** just for our members to be able to share information. It has proved very useful to other Clubs to keep everyone connected. So, your challenge is to **refresh your Facebook page (or set one up, in the first place)**, so **Greg can connect you to our closed Facebook page**.

## THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

## THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

## THE INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.
