

COAT'S COMMUNIQUE

BUSINESS NETWORKING EVENT, 5TH DECEMBER

Our usual Melbourne Cup shenanigans were replaced at Tuesday' meeting with an exchange of ideas on a Business Networking event planned for the evening of the 5th December and to be held at **Libertine by Louis**. The primary objective of this event is to build connections between local businesses and leave with 2 gems of business ideas. Our special guest speaker, **Michael Baragwanath** will help focus on marketing and creating a resilient staff. Our Club members attending will be looking out for community minded businesses that may be interested in sponsoring some of our projects, and possibly partnering with the Club in other ways. One particular project that we will be seeking sponsorship for is the **HANDS ON** project. Mark Thompson and Romeo Caporaso are organising this event, please contact them to attend. See details in attached flyer.

HANDS ON PROJCT

HANDS ON will be promoted early next calendar year. The activity entails building a set of **prosthetic hands** from a kit of parts. RC Magill is looking for a suitable public venue to hold the primary building activity. Apart from the community benefit of creating prosthetic hands for land mine victims in countries like Cambodia, the activity is structured in a way to build fellowship and a spirit of competition between the participants. By holding the activity in a public venue such as a shopping centre atrium, we are able to engage the public in learning a bit about Rotary, our Club and the **Hands On** project.

By purchasing a hand kit, local businesses can use the opportunity to demonstrate community volunteering whilst **fostering team building** within their staff. The building activity does not need to be undertaken with the Rotary Club activity in a public space.

Alternatively, businesses could sponsor a hand that could then be built by another group such as a school or disadvantaged group.

THANKS PAULINE HILL: RIVERBOAT CRUISE

A big thank you to **Pauline Hill** for organising the **Riverboat Cruise** on Sunday 29th October, preceded by lunch at the **Riverscape Restaurant**. Scones, jam and whipped cream was a highlight of the cruise.

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

THE INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.
