

COAT'S COMMUNIQUE

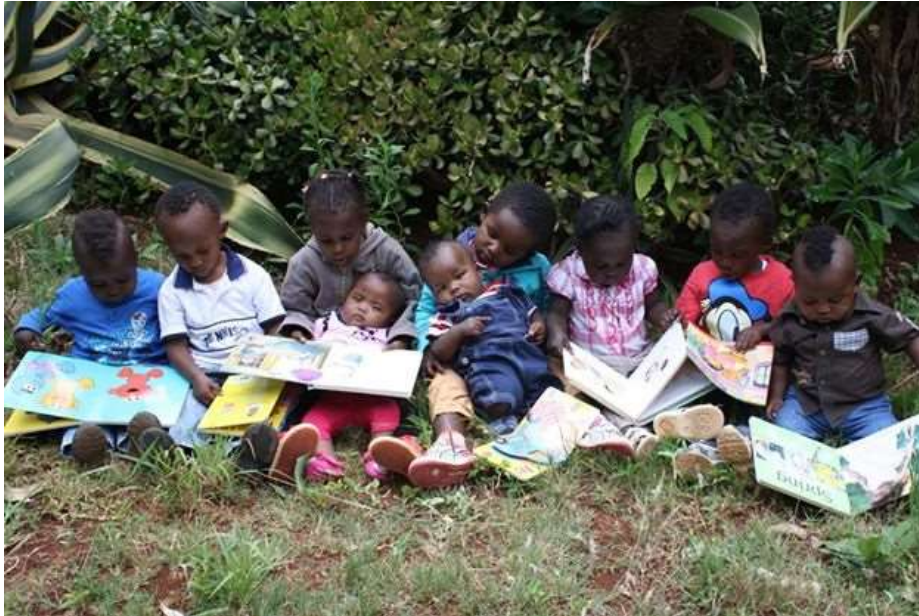

IZABELLA CARSON: NATIONAL YOUTH SCIENCE FORUM - NYSF

We welcomed Izabella, Year 12 student from Mary MacKillop Tuesday morning. Izabella spoke to us about her experience at **NYSF** this year. Izabella spoke to us passionately and how she initially had been cajoled into applying to NYSF, only to find **it has transformed her life and future direction**. This is what NYSF seeks to achieve – a life changing experience. At NYSF, Izabella found a group of like-minded science-loving young people with whom she could share her passion, and a group of teachers/mentors who wanted to expand her horizons. Izabella focussed on the people and the environment at NYSF and gave us one of the many 'chants' that the team learns, to keep the energy levels up.

MEETING 1038 COMBINED NORWOOD & KENT TOWN

Thanks to all members who attended our 'away' meeting #1038 held jointly with RC **Norwood** and RC **Kent Town**. We heard **Yasmin** speak to us about her orphanage **Zaidi ya Dreams** (Live Your Dreams) in **Kenya**. She showed us pictures of children who often come to the orphanage in a terrible state but have grown into happy healthy youngsters. She showed us photos of the orphanage before and after the fire that swept through the building in February. **RC Magill Sunrise** donated **\$1000** to Zaidiya Dreams at the event.

PRESIDENT'S NOTICES

Pauline and **Colin** are now off travelling.

CALPERUM

I have always had a great time up at Calperum Station near Renmark. **Over the weekend of 29th Jun – 1st Jul, RC Eastwood** will be heading up there. **Suzette and I** intend to go. The activities include tree health surveys, water monitoring and lots of fellowship around the campfire and a glass of red. I invite members to come and join us. Let Elliot Dwyer (eadwyer@hotmail.com) and myself know if you would like to come, as they need to plan the bedding arrangements.

BIRTHDAYS

Congratulation **Mark** and **Mari** on each getting a year older over the Easter weekend

SICK LIST

Club Stalwart, **Sue Hector** was struck down with a severe case of *urticaria* (Google now). Apart from being very itchy we hope there is no need to light a candle for Sue, and we wish her a speedy recovery

ROTARY YOUTH PROGRAM OF ENRICHMENT -RYPEN

We have not been able to recruit any local applicants for **RYPEN** this year. So, **Ian Carman** approached District to find if there were any applicants who did not have sponsorship. Ian announced that there is an applicant from the **Mitcham** area who does not have sponsorship and asked the Club if we would agree to fund that place. The Club unanimously agreed to fund the Mitcham student to attend RYPEN.

MAGILL MARKET

This month's market had to be cancelled at late notice, when we discovered that SA Power Networks would be working at the library and the power would be off. This would affect not only the essential coffee making facilities, but more importantly stop access to the toilets.

Rotary Magill Sunrise holds an art and craft market in the carpark of the Campbelltown Library on the 2nd Sunday of the month (excluding July) from 8am – 12 noon.

Rotary Club of Magill Sunrise - "**Bumper Garden Raffle**" where you could win this quality garden trolley filled with gardening goodies to make your gardening life *SOOOOO much simpler!!* Tickets will be \$2.50 each and **the raffle runs until Sunday May 13th where it will be drawn at our Mother's Day Market.** Contact Greg through the Magill Sunrise Market Facebook for ticket books.

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

THE INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.
