

COAT'S COMMUNIQUE

COMBINED MEETING – ADELAIDE PARKS

Last Tuesday we were guests of the **Adelaide Parks Rotary Club** and along with Rotary Club of **Eastwood** shared breakfast at a **fund raiser** at the Royal Coach Motor Inn in aid of **Cystic Fibrosis Association SA**. Exiting Chief of SA Health, **Vicki Kaminski** was one of the guest speakers.

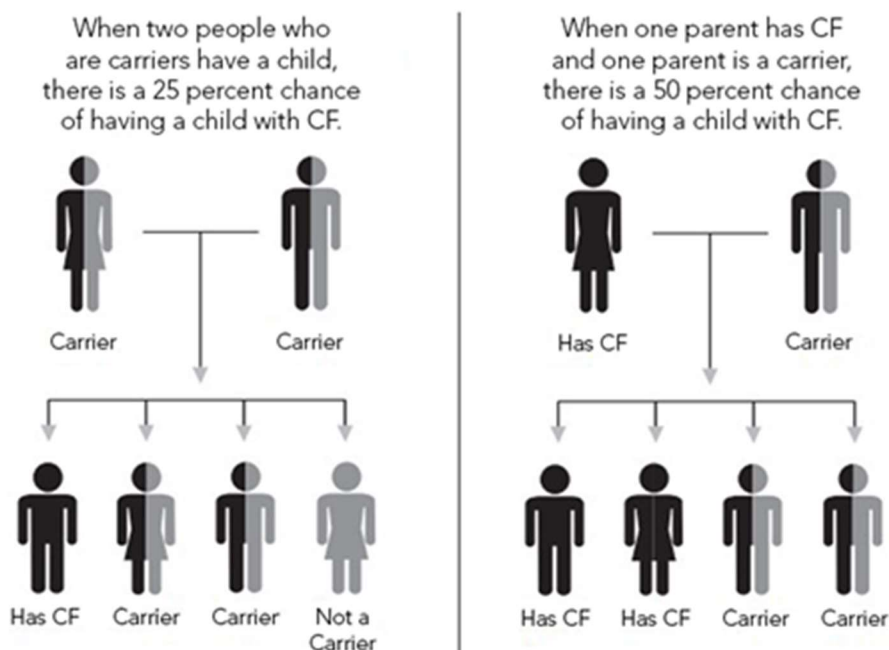

In addition, to Ms Kaminski's address we saw the heart-warming video stories of those with CF who have had **successful lung transplants** along a presentation from the spouse of woman diagnosed with the condition at age 62 and their joint experiences at the **Alfred Hospital in Melbourne**. All of this was close to the hearts of **Chris and Susan** Gascoine. It's a pity that some club members were unable to attend. We also learned that **around 1 in every 4 is the carrier of the SF gene** and how genetic tests for the condition should be compulsory. **See chart:**

ONE IN EVERY FOUR IS A CARRIER OF THE CF GENE

How a Person Gets CF

To have CF, you must inherit two copies of the CFTR gene that contain mutations – one copy from each parent. That means that each parent must either have CF or be a carrier of a CFTR gene mutation.

THOMMO WINS THE HAIR PRODUCTS RAFFLE

Editor's Note: Hey, feel free to pop around for a shampoo and conditioning.

CALPERUM

I have always had a great time up at Calperum Station near Renmark. **Over the weekend of 29th Jun – 1st Jul, RC Eastwood** will be heading up there. **Suzette and I** intend to go. The activities include tree health surveys, water monitoring and lots of fellowship around the campfire and a glass of red. I invite members to come and join us. Let Elliot Dwyer (eadwyer@hotmail.com) and myself know if you would like to come, as they need to plan the bedding arrangements.

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

THE INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.
