

## COAT'S COMMUNIQUE

---

### WELCOMES, BIRTHDAYS & APOLOGIES

We welcomed Rotarians **Kevin** and **Sam** (ex-Adelaide East) who visited our meeting in search of a replacement Club to join. We hope they found us a friendly crowd. And we also welcomed Perth Rotarian and Guest Speaker, Chris Herrmann. I just celebrated my birthday with family members coincidentally also in Perth and provided some yummy Margaret River Chocolate Factory treats after breakfast.

### CHRIS HERRMANN – MY SENIOR GAP YEAR

Chris, spoke to us about the joys of travel, and yes, he was speaking to the converted, especially with our numbers depleted with **Ian, Julie, Colin, Pauline** and **Sue** who are all travelling. Chris related his personal story; after the loss of his wife to cancer he finally deciding to pack up everything and travel the world – while still a young man in his 60's. Chris spoke about the circumstances leading up to the decision, the challenges in making it happen and more importantly the joy and satisfaction of getting up almost every day in a new place, meeting new people, and learning new things.

Chris, originally from Adelaide, is a member of the **Rotary Club of Mills Point (Perth)**. He spoke of how he wanted to make this year of travel something worthwhile to others in need. He described how a chance meeting led him redirect about half a million dollars' worth of unwanted new bedding that was being thrown into the tip from mine sites in outback WA to charities across Australia and into South East Asia. That's Rotary at work.

Chris sold copies of his book, My Senior Gap Year, to some club members and you can also find it on line: [www.myseniorgapyear.com](http://www.myseniorgapyear.com)

## PRESIDENT'S NOTICES – DISTRICT ASSEMBLY 9510

**Chris, Susan** and I attended the recent **District Assembly at Murray Bridge**. Chris was acknowledged as the incoming President of RC Magill Sunrise and received the new theme banner. One of the key messages from the Assembly surrounded the creation of District 9510 from the current 9500 and 9520. The way in which the District is structured will have to change because of the enormous size of 9510, covering well more than the state of South Australia. The creation of Areas within the District and Area Governors is being discussed. The structure of the District Committees will also be affected. Clubs are being asked to comment on the current proposal. Chris and Ian will provide more information soon, and it will be the subject of our Club Assembly on 19<sup>th</sup> June.

## CONGRATUALTIONS KIRSTY STARK

Kirsty attended the Prix Jeunesse Film Festival where her recent film **First Day** won best “Gender Equity” film and also came second in the “7-10 year old Fiction” category behind the latest Roald Dahl film. This festival is big on the world stage. Kirsty describes it as the Oscars of Children’s Television. Kirsty story was a feature article in Tuesday’s Advertiser. So, **huge congratulations Kirsty.**

## THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

## THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

## THE INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.
