

CHRIS' CLARION

WELCOME & APPOLOGIES

At our last meeting we welcomed **Jeff Neale** from RC Campbelltown.

Colin & Pauline Hill, Graham Holcroft, John Kennedy, and Carol McKenzie offered their apologies.

CLUB ASSEMBLY

Third in the series of club assemblies discussing how we might make our club more attractive to new members, and then to actually attract new members. Great progress has been made and we are in a position to create and implement our strategy to revitalise our club and increase our member numbers. **Jeff Neale**, from Campbelltown club made an impromptu appearance ('make up' meeting) and gave us some meaningful input. Thanks Jeff.

WHERE'S WALLY JEFF?

DG WAS GUEST AT BOARD MEETING: SEE YOU ON 4TH

District Governor Kim Harvey took the long trek from Brighton to attend our Board Meeting last Tuesday evening at Café va Bene. Kim added her thoughts to our robust discussion on not spreading ourselves too thin and focusing on 2 key projects. More detail at meeting and email to members. **Kim will be our guest as our next scheduled club meeting on 4th September. Hey Kim, you'd better set the alarm early.**

DONATIONS IN KIND: SUNDAY 18TH AUGUST

Susan and I attended Donations in Kind (DIK) last Sunday and after putting in a fair effort working on various projects for dispatch overseas we were rewarded with a fine BBQ lunch.

OPERATION FLINDERS

Towards the end of Immediate Past President **Ian's year**, our club agreed to support the **Operation Flinders Foundation** in sending a team from **Charles Campbell College** this month. The **feedback** from the students and leaders, following the completion of their exercise a couple of weeks ago, has been compiled into the attached report for our club. Despite some **challenges** (including the weather!), there were some very positive outcomes for the team. In fact, three students were recommended to join the **Peer Group Mentor training program**, through which they will have the opportunity to undertake further training with Operation Flinders, and then return to the Flinders Ranges again in support of a new team as young leaders/mentors. Once the details of the team presentation have been finalised, we will be given the opportunity to attend and **meet with the students**. See **link and video** <https://operationflinders.org.au/program/#program-introduction>

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

THE OPTIONAL INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.
