

GREG'S GRAPEVINE

WELCOME: SPECIAL GUEST SPEAKER, MAYOR JILL WHITTAKER

This week **Mayor of the City of Campbelltown, Jill Whittaker** was our guest speaker. Jill told us something about herself and also gave us an update on what is happening at Council. Now Mayor Jill grew up on a farm on the **Yorke Peninsula** which produced wheat, barley and also grazed sheep. She told us that she had an amazing childhood on the farm and was heavily involved in all sorts of sport from an early age. She came down to the big smoke to attend to boarding school (where I am sure she continued the sport) and then went on to university and a career (along with a bit of travel). Jill has worked as a teacher and Commonwealth Public Servant. In addition to her duties as Mayor, she is a busy grandmother (Thommo has seen her with grandkids at the ARC's water activities) Her local government ambitions started after a family tragedy and the rest, as they say, is history:

- **Joined Council in 2003**
- **Longest serving woman on council**
- **First woman Mayor since the Campbelltown was founded in 1868**
- **Can't wear the Mayoral Robes due to OH&S reasons...it is too long...hehehe**

Campbelltown council has a few things on the go at the moment where there are plenty of new young bodies providing the enthusiasm required to get things done....along with some old stalwarts to provide the

experience like our very own **John Kennedy**. Interesting to hear about all the sports club renovations coming up including at our meeting venue, the **Hectorville Sports club**.

She concluded her talk by telling us about her trip to the **Tiwi Islands** which really resonated with me due to my own recent work experience there. She is keen to find what they need help with so it will be interesting to hear what they come back to her with and whether we could help out in any way??

Next week we have Anna Dodd from SYC coming along to let us know who they are and what she is proposing we can do to help out so bring your questions along....see you Tuesday!!

PHOTO OF TIWI ISLANDS

As **Mayor Jill**, mentioned the Tiwi Islands, let just recycle this photo from last week bulletin.

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

THE OPTIONAL INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.
