

GREG'S GRAPEVINE

GUEST SPEAKER: DAVID LLOYD

We had a rather good turnout to this week's meeting considering it was the day after a public holiday so well done to all who attended though I am sure **David Lloyd our speaker** will tell you that they all turned up to hear him speak. David was there to give a presentation on "**All Things Funerals**" or as I kept saying "All things DEATH", as I had Monty Python's *bring out your dead* 'in my head... So many quotes so little space.

David took us through the steps from when someone passes away, to what occurs at the funeral home then on to the burial/cremation, and then had a few funny anecdotes of what has happened a few times when scattering the ashes as instructed in last wishes. One of the better ones was when a client scattered their departed ashes at 3am down along King William Street only to be followed by a street sweeper... funny for us I suppose. He also told us of a time his car keys fell onto a coffin as it was being lowered into the grave and looking down saw the attached picture of his son looking up at him. Luckily, they had someone on hand afterwards who was light enough to lower down by his feet to collect them!! David also told us the story of when **Sir Donald Bradman** died and what he went through to get his ashes back to Bowral to be scattered at different locations there.

An interesting topic that is not talked about much so **thank you David** for coming in and presenting "All Things Funerals" to us.

DAVID LLOYD AND PRESIDENT GREG

I was having a stroll through the Cemetery yesterday when I came across some council workers digging up a grave. Being the nosy bastard I am, I went over and said, "What's going on?" The guy in the hole said, "We're exhuming this body." "Oh, is it part of some ongoing murder investigation?" I asked. "No," he replied, "Centrelink have deemed him fit for work!"

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

THE OPTIONAL INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.
