

GREG'S GRAPEVINE

CAROL HILLMAN: COTA

We had another full house this week plus some extras in our Friend of Magill Sunrise **Bernard Cole** and our Honorary Member **Jeff Neale**. We were all in attendance to hear **our guest speaker Carol Hillman from COTA**, which stands for **Council of the Aging** which is described as an *older people movement* run by, for and with older people. They look at how society views aging and what they can do to improve their member's lifestyles from this through a number of programs:

- **The Plug In** - Connects older people with business, industry and researchers.
- **Zest Fest** - An annual festival designed to celebrate, challenge and connect older South Australians. The festival features more than 200 curated and fringe events across the state during October.
- **Strength for Life** - Promotes health and well-being for people over 50 through personalised strength training programs.
- **Community Visitors Scheme** - Provides friendly volunteers to visit older people who are at risk of loneliness or social isolation.

These are just a few of all the amazing programs they run, and **predominantly by a volunteer force of 140**. It was a topic that had quite a bit of interest from our 'young' club members who had questions for Carol during and upon completion of her presentation. **Thank you for coming to see us Carol**, an interesting topic regarding a demographic that is only getting bigger.

CAROL AND GREG

Sgt Simon just couldn't shake off the horse theme from the *Second Tuesday in November* and had a great quiz question, asking us if we could translate the meaning of "**Phar Lap**" into English. **Mark** was the only one who knew that answer. Phar Lap is Thai for "Lightning". The extra tidbit of info from Simon was even more interesting because the horse that **portrayed Phar Lap** in the movie of the same name, **Towering Inferno** was killed by lightning on 15 April 1999.....spooky indeed!!

GREG'S ON THIS DAY 5TH OCTOBER

1493 – Explorer Christopher Columbus lands on Puerto Rico for the first time.

1863 – US President Abraham Lincoln delivers his Gettysburg address beginning; "Four score and seven years ago..."

1703 – The legendary 'Man in the Iron Mask' dies.

1916 – Samuel Goldwyn and Edgar Selwyn establish Goldwyn Pictures, the company later became one of the most successful independent filmmakers. The famous quote, 'A verbal contract is not worth the paper it's written on' is a misappropriation for Goldwyn. He actually said that a friend's verbal contract was better than written. Goldwyn introduced Leo the Lion as a trademark for his pictures, but had no controlling interest in what later became Metro Goldwyn Mayer (MGM)

1946 – Australian country music singer Slim Dusty records his first single, 'When the Rain Tumbles Down'

1997 – The world's first septuplets to all survive are born.

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

THE OPTIONAL INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.
