

GREG'S GRAPEVINE

FIRST MEETING FOR 2020 IN NEW VENUE

We went from having **Plenty of Time** for moving some time in February to almost **NO Time** to get our things **out of Heccies** to the **Campbelltown Memorial Oval (CMO)** and be ready for our **first meeting of the year** on Tuesday. Maybe it made sense in a way that our **milestone 1100th meeting** would be in a new venue. I must thank **Colin** and **Graham** who helped me move everything our stuff from Heccies last Thursday in 40 odd degree heat, it was a hot job but an important one, **thanks guys!!**

From where I sat Tuesday (literally) everything went well and I think we will be really comfortable in our new digs!! Our cooks, Leone and David, were happy, our members were also happy and we had plenty of technology on show and working so I was also happy!! We did have 2 significant visitors on Tuesday, former president and foundation member **Bronwyn Hyder** was there to see us after moving down south a few years back and we also had honorary member **Jeff Neale** drop by for a catch up.

We didn't have a guest speaker but held a mini club assembly on membership. This is an important topic for all clubs and one we should probably discuss a few times each year. The questions I put to the members there were:

- Who are our prospective members?
- How do we get them to our club?
- Club promotion.

Some healthy conversation and points were put forward and we were lucky to have someone like **Jeff** there as he really has a great insight into all things Rotary. My favourite quote from Jeff was "Why are we here?"

In other words, *why are you in Rotary*; something I am looking at running a promotional campaign around so watch this space.

CELEBRATING MEETING 1,100 IN NEW LOCATION

FOUNDATION MEMBERS, PAULINE, COLIN AND BRONNIE (NOW OF VICTOR HARBOR)

SUNDAY MARKET: \$1,500 DONATED TO BUSHFIRE RELIEF

We had our second market at our new venue **last Sunday**, it was a little quieter than our inaugural Christmas market but from past experience that was expected. That said we still doubled the monies raised compared to last January's market. We decided at our Board Meeting on Tuesday to **donate that money to the Bushfire Relief Fund through Vinnies** and also add **another \$500** from the club funds making our total donation \$1500, a pretty good effort I think from our little club. Enough from me, I won't be there Tuesday so will see you all in February!!

JUST A TAD MORE ROOM THAN THE OLD LOCATION IN FRONT OF THE CAMBELLTOWN LIBRARY

WELL DONE MORIALTA

Last Wednesday Evening **Morialta Club put on a BBQ fund raiser** for Bushfire relief. Over 200 attended and at \$20 per head plus the sale of drinks meant a super profit considering much was donated by local traders. Well done Morialta Club.

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

THE OPTIONAL INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.
