

GREG'S GRAPEVINE

MARK ANDERSON: THE ROTARY FOUNDATION

I must start with a BIG shout out to our amazing cooks **Leonie and David**. Somehow, they got us through this week's breakfast pretty **much on 1 power point**. I did a **Clark Griswald**, as the new oven I purchased, when powered on with a microwave and a couple of electric frying pans, shorted that circuit. It didn't help that we had no access to the main switch board so well-done guys and thank you. **Our guest, Mark Anderson, even complimented his meal saying it was the tastiest breakfast he had ever had at a Rotary meeting!!**

Now our Guest speaker this week was **Mark Anderson from The Rotary Foundation in Parramatta**. He was in town for a few days and was talking to a few clubs on...you guessed it...The Rotary Foundation. Now if you have ever been on a Rotary Board you would have had the Foundation rant from DG's of yester year and I have even sat through a few at our club breakfast meetings. Where Marks spin was a little different; he didn't bore with the usual spin on The Centurion Program and confuse us with how grants operated, he spoke to us about how many clubs are spending too much time fundraising and not enough time doing. What caught my attention was how we are great at fundraising but maybe too quick to hand it over to other charities who have the idea and use our funds to make it happen. We should be pushing those funds through the Rotary Foundation on Rotary initiatives with our own ideas, using Rotary District and Global Grants on things like:

- Promoting Peace
- Fighting Disease
- Providing Clean Water
- Saving Mothers and Children
- Supporting Education
- Growing Local Communities

Though I didn't agree 100% with what Mark had said I admit it is something we could think about a little more than we currently do moving forward. I was quite impressed as it was the first talk on the Rotary Foundation that I did not doze off in....**well done Mark**. The Rotary Foundation, an often-forgotten part of Rotary and not everyone's cup of tea I am sure, but actually very important to Rotary and quite interesting this time as well. **Mark left flyers to as to go online and start funding TRF on a monthly basis.**

Editor's Note: Many of us did not know that to obtain a matching grant that, yes, we need an international club to pair with, that **the beneficiary need not be that international club**. In theory, we could partner up with a club in Timbuktu for a project in Magill.

MAKE A LIST OF POTENTIAL SPONSORS

Start making a list of potential sponsors. Don't approach them, but get back to Mark/Greg with your list and background info.

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

THE OPTIONAL INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.
