

GREG'S GRAPEVINE

'ZOOM' MEETING #4: MEETING 1,111 (LEGS ELEVEN – BINGO)

This week we had another full house of heads on our Zoom meeting board with a guest in **Benny Bosman, President of the Campbelltown Rotary Club**. Our guest speaker was supposed to be from *Lifeline* this week, but Pauline threw them a '*namesake*' as they were unavailable so Pauline gave us a **Caravan Tourist's Guide/History of Gulgong** which proved to be an interesting alternative (almost as good as the Leyland Bros). For those that don't know, Gulgong is a 19th-century gold rush town in the Central Tablelands and the wider **Central West regions of New South Wales**. The town has a couple of claims to fame other than the gold that was found:

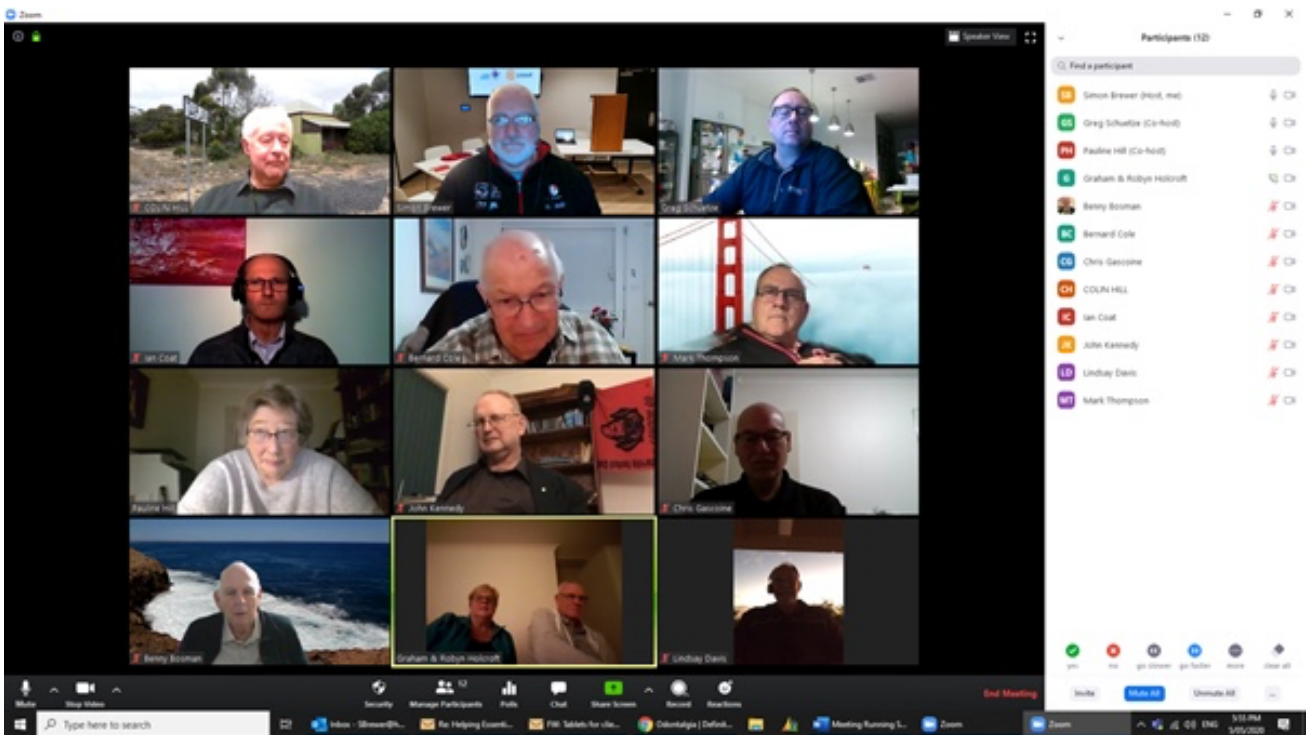

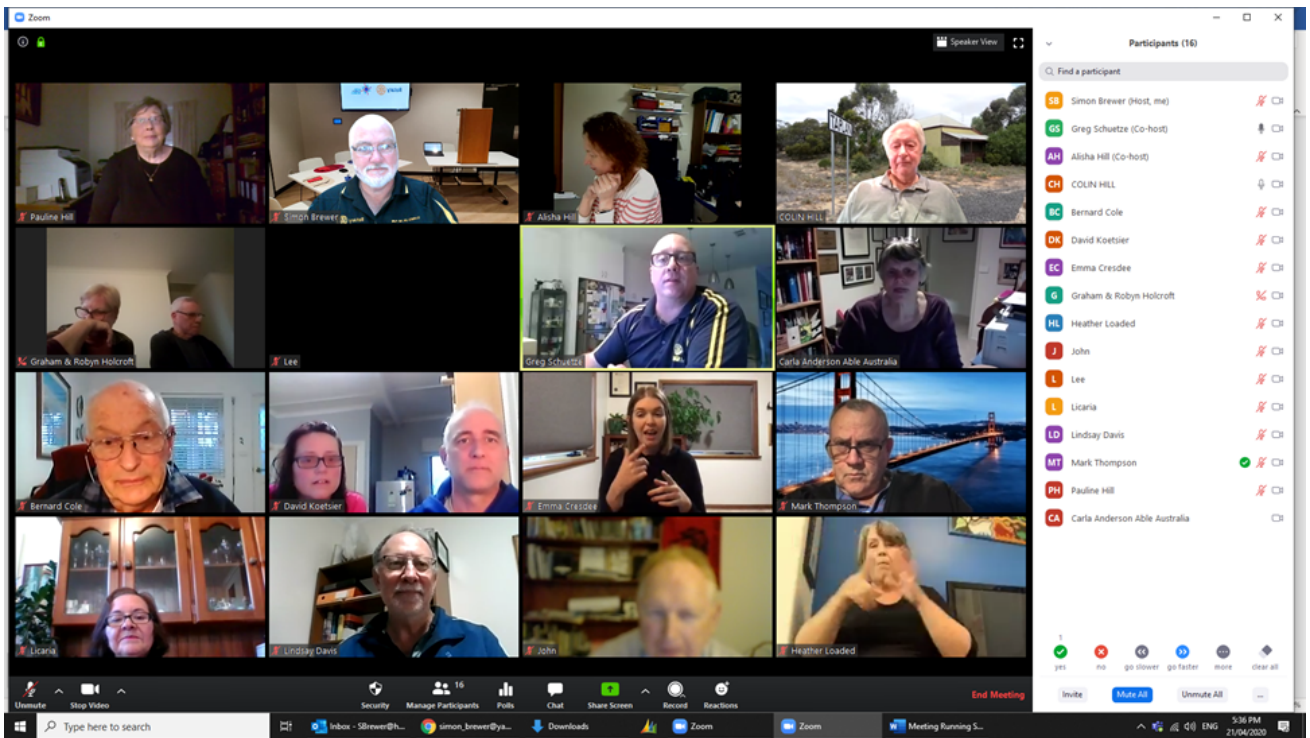

- Gulgong is believed to be one of the primary locations in Thomas Alexander Browne's Robbery under Arms, published under the name of **Rolf Boldrewood**
- Novelist and bush poet **Henry Lawson** lived briefly in Gulgong as a child in the early 1870s, while his father sought instant wealth as a miner. A montage of goldrush-era Gulgong street scenes was used as a backdrop to the portrait of Lawson on the first Australian ten dollar note.
- Jimmy Governor, on whom **Thomas Kenneally** based his character for The Chant of Jimmy Blacksmith, grew up in the Gulgong district.

It looked to be a very picturesque location with lots of heritage listed buildings and sites that are open to visitors. Well worth the visit she advised, so once these borders are open again get along for a look yourselves!!

The "Wheel of Heads" Jackpotted again so we will have \$20 on offer to the winner at Tuesday's meeting. Remember even if you are a guest your name gets added to the wheel, so you are in with a chance if you turn up!!

Our guest speaker for next Tuesday the 12 May will be Ian "D'Arcy" Walsh, the Chair of **ROMAC** (Rotary Oceania Medical Aid for Children) Central Region. I remember we had ROMAC along quite a few years ago and they gave a great presentation back then, so it will be worth your while to make sure you are available for this one. See you then!!

SIMON SAYS: HOW TO QUICK LINK TO ZOOM

Hi Everyone,

OK, we had a couple of glitches and started a bit late this evening, but I really think we started to find our mojo there and got better as we went on, so sincere thanks for your patience. And thank you to our special guest visitors for stopping by and joining with us; very much appreciated.

You can view the video of our meeting at this

One thing you will see on the video is that it jumps around a lot between different speakers, particularly Robyn & Graham. That's simply because they were using their phones in hands free "speaker" mode, so one phone could hear the other and thought someone was speaking. It was similar with Colin & Pauline. It's not a huge issues, but as time goes on we'll need to get used to using our mute buttons when we're not speaking.

A reminder that full details for connecting to our meetings are on the club web page <http://www.magillrotary.org.au>. THOMMO'S JOKE

A lady takes her very sick pet duck to the Vet. It's so sick the Vet declares that the duck is dead. Refusing to accept the loss of her beloved pet she asks for a second opinion. The Vet is somewhat outraged at her lack of trust and argues with the dear lady, but without success. In frustration he calls in a Labrador Retriever who jumps up on the examination table and looks at the duck from top to bottom and then rolls on his back playing 'dead dog'. Not satisfied the lady wants another opinion, so the angry Vet calls in a cat who licks the duck all over and then swishes its tail with complete disinterest. Finally, the lady accepts the fate of the duck and the Vet hands her a bill for \$1,500. She challenges the size of the bill, but the Vet explained, '*\$100, is my fee, but the remaining \$1,400 is for the Lab Report and the CaT scan*'

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

THE OPTIONAL INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.
