

TIME TRAVEL WITH THOMMO

MEETING: RETURN TO CAMPBELLTOWN MEMORIAL OVAL (CMO)

WELCOME AND APOLOGIES

The alarm was set for 5:58 AM last Tuesday morning and I then headed off to the CMO for our first clubrooms meeting there since Covid shutdown. All attendees signed off the Council's Covid Attendance Form and we were compliant re seating and the serving of food. **Note:** for the purpose of photo composition the staged shot below is not exactly compliant, because not all of us carry a fisheye wide-angle lens.

As promised at Change Over we kicked off with the Object of Rotary and the Four Way Test.

SIMON'S HYPOTHETICAL

In the event of a Zombie attack, who would you want as your wingman?

There were a variety of answers, but who could go wrong with **Arnold Alois Schwarzenegger**

PS: Hey Robyn, Zombies aren't real.

SPEAKER: ME, ON AGED CARE

You don't hear peep out of me for ages and here I am, the speaker at the first Clubrooms meeting for my year of Presidency. I related the story of my aged mother in law's experiences after a fall at home that took her to the **RAH, Modbury Hospital Rehab, a private Aged Care Home for additional rehab and finally 'Bene' Aged Care at St Agnes**. Coping with the ever changing Covid rules that differ from each institution was like walking a mine field, not to mention differing levels of care (or lack of it one location). Anyway, happy ending; my M in L is now in an Italian speaking environment, with Italian cuisine and a beautiful environment. After consulting a specialist adviser on the best way to fund aged care it has removed any confusion, for 2 years, at least.

THE HAY RUN: RAWCS DRAUGHT RELIEF (WE'RE IN)

I picked up on the dulcet tones of **Past DG Bob Cooper** (and recent guest at our Change Over) on the ABC's 'Australia All Over', Sunday morning. Bob didn't let Macca get a word in as he promoted our district's forthcoming Hay Run to Hawker. I contacted Bob and he steered me to RC Campbelltown's Mal Hansen who is organising the next Hay Run to draught stricken Hawker. Draught Relief is a RAWCS project that encourages clubs to seed money to pay for fodder and transport. RAWCS then reimburses the club's expenditure. The club consensus is now to seed \$5,000 to the project. **Thanks Bob, for speaking up on national radio**. Here's a shot of Bob and Marilyn taken in on the island of **Kyushu, Japan** last October.

Ironically, Kyushu has just been hit hard by torrential rain. I gave a call to one of our **Rotary mates, Tetsuya, on Kyushu** and he tells me that their town of **Usa** did not suffer too much damage.

PRESIDENT'S PITHY SAYINGS: SOCIAL ISOLATION

"The taverns are fair full of gadabouts making merry this eve. And though I may press my face against the window like an urchin at a confectioner's, I am tempted not by the sweetmeats within. A dram in exchange for the pox is an ill bargain indeed." – Incorrectly attributed to Samuel Pepys (17th c. London, plague outbreak)

OVERDUE DUES?

- If you haven't caught up on the meal for the change over its \$20 per head
- If you couldn't pay for breakfast because of IT issues with credit card then \$20 will cover meal, game and happy bucks

Please catch up with Ian on both. If you haven't paid for your Zoom meetings, then good luck to you.

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

THE OPTIONAL INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.
