### CAMPBELLTOWN ARTHOUSE

### WELCOME AND APOLOGIES

A warm welcome to and Guest Speaker **Meg Haseltine** (Campbelltown Arthouse) and welcome back from Cairns, Pauline and Colin Hill. Good news that **Chris' Man Cold** has tested negative for Covid and good luck to **John K** with his eye procedure. Let's hope we see you both at next week's meeting.

### SIMON'S ICE BREAKER:

**Simon's Ice Breaker** was to recall a **favourite TV Show, past or current**. Gee there were some rippers dredged up from a bye gone era. Before the **literalist Standards Police** took control of what we can watch or say, there were some popular TV Shows that featured a racist as one of the main characters. Invariably, the racist came off second best and we all had a good laugh and thought better of being the same sought of person. Hey Standards Police, that's the whole point; the message was don't behave like a racist idiot.

## SIMON'S QUIZ QUESTION

Triggered by the return of Pauline and Colin from Cairns, Simon asked us the origins of the names for Cairns and Port Douglas. **The general consensus was 'Who Cares'.**

## MEG HASELTINE: CAMPBELLTOWN ARTHOUSE

I had to hang my head in shame when introducing **Meg Haseltine from the Campbelltown Arthouse** because I knew absolutely nothing about **this gem** nestled next the Council Chambers on Montacute.

There are so many activities at the Arthouse it's best to click onto the link below. Budding artists wanting to promote their work can even hire the venue for a minimal amount and hang their art on the walls. Novices of all ages are welcome and it's never too late to start. ## AFRICA POLIO FREE

An interesting article in Rotary Down Under; Africa has been declared Polio Free. Not far to go now. The world would be totally free of polio were it not for religious fanatics and war. See link to article:

## PRESIDENT'S RANT

Once **Trial by Combat** decided disputes. This was replaced by **reason and argument**. Now civilised debate has been replaced by **screaming abuse and trolling on Social Media**. Here's what Socrates had to say:

## THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

## THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

## THE OPTIONAL INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.
