HAWKER HAY RUN

Pauline, with the help of **Colin, Ian, Robyn** and **Graham** presented on the time they had at **Hawker** with other Rotary Clubs and the “Hay Run”. It was more than a Hay Run it was a Rural Show with fun rides and free gifts for every attendee. Gifts ranged from free haircuts to white goods. Team Magill worked their tushes off preparing meals. **Suzette**, seen in the photo below, pitched in too.

The report below from **Justine Major**, the **Regional Recovery Officer for North SA** was sent to the **Prime Minister and Cabinet**.

‘What an amazing community event. Driven by local enthusiasm and supported by Rotary, this event was just incredible. I spoke with many local pastoralists and the commentary throughout the afternoon was that they were almost overwhelmed by the generosity shown. The event included numerous food stalls, mental health support (Ski for Life, Headspace, FaBS Mentors), livestock agents, animal nutrition specialist giving a tutorial on feed requirements for cattle, jumpy castle for the kids [castle not funded by Rotary], live band and all at no cost to attendees. There was a marquee with free haircuts for anyone who needed one (this was a well utilised service – I didn’t see it empty all afternoon). Every attendee received something, with giveaways of a bag of potatoes and a loaf of bread for everyone. A raffle was held for all entrants with useful prizes ranging from sandwich presses to a car fridge, wheelbarrows to pressure cleaners, tools to battery chargers. The thoughtfulness and welcoming atmosphere made the event a delight for everyone. Having received some rain in the recent weeks, there were plenty of smiles everywhere as people compared rainfall totals, spoke with awe on how the country has responded and a sense of relief to see green again. This was the first event that Hawker has been able to have since Covid-19 lockdowns occurred and many comments were made about how great it was to be able to get together as a community. Most of those I spoke with are still wary around commencing the restocking process as they would like to see some follow-up rain and genuine recovery of their land first. They are aware that the recovery process will still take some time, but the emotional lift to see green grass in the paddocks and cover on the hills cannot be overstated. I can only commend Rotary on the effort they put in to run a smooth event that hit the mark spot on.’

Well done **Team Magill**, well done **RAWCS**,

blowing off steam at Hawker

GREG SCHEUTZE: AVENUES OF SERVICE

Earlier this year **Pauline** said to me 'don't you think that a club member who did his utmost to prevent the club from going under, pressured the of Council to obtain a dedicated space for the Market at the revamped Campbelltown Memorial Oval, bumped up the number of stall holders, and created the two days inaugural Xmas Market, at least deserves an 'Avenues of Service Award?' I said, 'Hell Yeah', so today I had the honour to present **Greg** with his Avenues of Service award signed off by DG **David Jones**. **Fantastic Effort Greg**

PRESIDENT'S THOUGHT FOR THE DAY

From Aussie Actor and Author William McGuiness: Advice from his Mother

"I have three older sisters, Laurie, Rahin and Corby. I remember one of them asking Mum, "Why do we yell so much in our house?" Mum replied, "Well, I'm Welsh, your dad is Irish, and if you don't like singing, shouting and fighting, you can go and find somewhere else to live."

Try asking a kid to leave home nowadays.

PRESIDENT'S AND OTHER NOTICES

- December's Xmas Market 12th and 13th December (remember nibbles and drinks post Sunday Clean Up).
- Sunday's Club Xmas Party deferred to early 2021. We are only one day out with Covid Restrictions. Thanks Nicole.

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

THE OPTIONAL INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.
