

TIME TRAVEL WITH THOMMO

CHAPEL STREET COMMUNITY GARDEN

WELCOME AND APOLOGIES: Apart from **Chris G**, who was an apology, it was a **Full House**.

WHAT'S YOUR FAVOURITE TV COMEDY DUO:

Simon's Ice Breaker: 'What's your favourite Comedy Duo?' Many voted for Tom and Jerry, but that cartoon duo was just bumped by The Two Ronnies.

SIMON'S QUIZ QUESTION

What Significant Law came to force on this day in the US in 1942?

Universal Daylight Saving came into force in every US state and territory. See they can agree on something. Maybe it takes an attack on Pearl Harbor to kick things off.

Daylight saving was first used in **Australia** during World War I, and **was** applied in all states. It **was** used again during the **Second World War**. A drought in Tasmania in 1967 led to the reintroduction of **daylight saving** in that state during the summer, and this **was** repeated every summer since then. I guess most of us followed Tasmania's lead. Our guest, **Frank Banks**, pointed out that **Ceduna runs its own time zone**, being ¼ hour behind the rest of SA. Does ¼ hour equal 40 winks?

THE MAGILL MARKET THIS COMING SUNDAY

You all know your allocated attendance times and job allocations (thanks Robyn). If you can make it at **2:00 PM on Saturday**, that too would be appreciated to help set up.

Proceeds from February's Market will be donated to the Petrinja Earthquake survivors in Croatia.

CHAPEL STREET COMMUNITY GARDEN: FRANK BANKS

The Community Garden was officially opened in 2012, and club's introduction to the Garden was in 2014, **Colin Hill's year of presidency** when we joined with Burnside Rotary Club in donating to the **construction of a gazebo**. Colin got to smash a bottle of champagne over the Gazebo along with Burnside's president. The land was donated to the Burnside Council over 100 years ago and the Garden now has 45 members for the 35 plots available. Many members had no previous experience in growing vegetables, so in early days it was 'the blind leading the blind'. In 2011 Burnside Council kick started the project with \$80K and Frank estimates that Council has donated somewhere between \$200K and \$300K to the Garden. Future plans are making the most of available space and increasing the number of plots along with efficient watering technology. **We wish Frank and the members of the Chapel Street Community Garden all the best in their future endeavours.** No photos of the Garden as they are too difficult to lift from social media.

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

THE OPTIONAL INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.
