

TIME TRAVEL WITH THOMMO

CAMPBELLTOWN HISTORICAL SOCIETY

WELCOME AND APOLOGIES: Apart from Ian who was an apology, it was a **Full House**.

Welcome to **Peter Rumbelow**, Campbelltown Historical Society. Hey, Remember, **we will have to make a double payment at the next club meeting in March**, due to Ian's absence.

WHAT EMBARRASING THING DID YOUR PARENTS DO TO YOU?

Simon's Ice Breaker: 'What did you parents continually do that embarrassed you?' Photos sitting in the potty chair that were dragged out for all and sundry seemed to dominate, but the most bizarre has to be continually showing a photo of your son getting his bottom stuck in a bucket. Name and ID suppressed.

SIMON'S QUIZ QUESTION

What was the Beatles first #1 hit?

In the UK it was **From Me to You**, but in Australia it was **I Want to Hold your Hand**. Hey, of all the noses of the Fab Four, why is Ringo's the only face shot in profile?

LAST SUNDAY'S MAGILL MARKET PROCEEDS TO PETRINJA

Thanks to all concerned for their input into the Magill Market. Proceeds from the Market and a top up from the club coffers means \$1,500 will be sent to Rotary District 1913 to help the survivors of the Petrinja (Croatia) Earthquake. Simon's research into the nearby club of Sisak, which will be running distribution is:

*The Sisak Rotary Club seems like they have about 20-25 members, so they're not huge. From what I can gather they have identified **water testing and purification systems as a niche needs that they are working closely on**. It would also seem that 50 of the Croatian Rotary Clubs have sent people to help. Additionally, the Sisak club are sponsoring 250 high school students from the affected areas with scholarships (apparently 8 high schools were significantly damaged in the area affecting 2,000 students. Many are reported to have lost their homes).*

PREVIEW OF HECTOVILLE SPORTING AND COMMUNITY CLUB

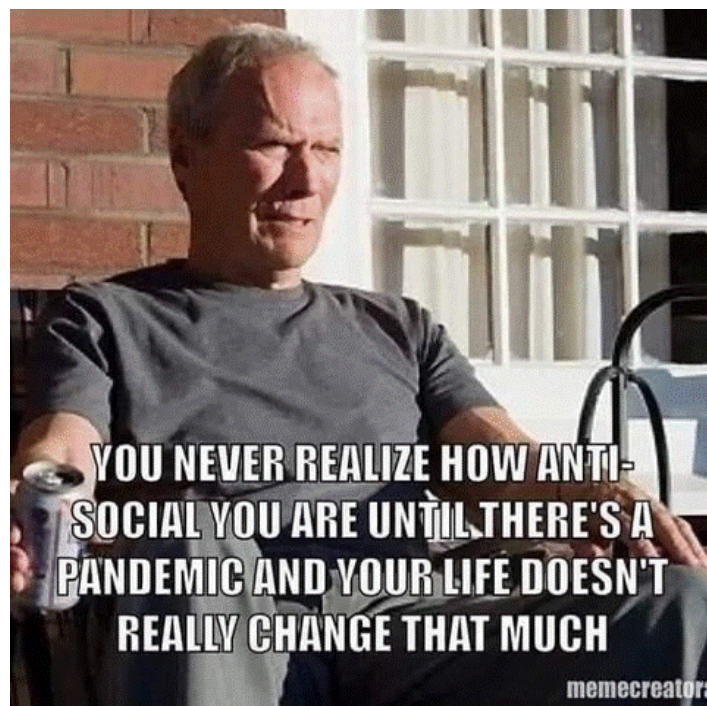

Sunday 28th February Open Day Hectorville Sporting and Community Club. Colin has organised an informal gathering at 2:30 PM for members. Unfortunately, a First Birthday Party has taken precedence for me at the time so I may sneak in earlier.

CAMPBELLTOWN HISTORICAL SOCIETY: PETER RUMBELOW

When Peter (long term Rotarian) commenced his address with the history of Charles Campbell, after whom our city derives its name, I thought here we go, heard it all before. But that soon changed and as it turned out I actually didn't know much at about the history of the City of Campbelltown. Peter had photos and stories about stately homes of the early residents. One day I want to take the guided tour; **maybe a club outing?** Peter had more to tell us, **so let's look out for Part II. Thanks Peter**

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

THE OPTIONAL INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.
