

HILL'S HANSARD

Another breakfast meeting for the last time in the dark this year before the end of Daylight Savings Time next Sunday. We were honoured to welcome **two guests** – **Kate and Bernie Gater** who responded to a leaflet drop by Ian and Julie and came to this morning's meeting. I was pleased to congratulate **Mark Thompson** on his imminent birthday and presented him with a card signed by club members.

Unfortunately our **Guest Speaker Steve Wright** from Headspace was an **apology** for this morning's meeting but the following is from the Headspace web site <http://www.headspace.org.au/about-headspace/what-we-do/what-we-do> in lieu of his presentation:

Headspace is the National Youth Mental Health Foundation, providing early intervention mental health services to 12-25 year olds.

Headspace is designed to make it as easy as possible for a young person and their family to get the help they need for problems affecting their wellbeing. Research shows that 75 per cent of mental health disorders emerge before the age of 25. By treating these issues early and providing a holistic model of support, the risk of them developing into more serious problems, including suicide, is greatly decreased.

Driving young people and their families to a single front door through headspace ensures they get the support they need, regardless of the mental health issue the young person faces.

Since it was established in 2006, headspace has supported tens of thousands of young people and their families through direct clinical services and thousands more through health promotion and community awareness activities.

The success of headspace has been recognised internationally, with the model being replicated in other countries.

Headspace is funded by the Australian Government Department of Health under the Youth Mental Health initiative

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

THE INVOCATION

For good food, good fellowship and
the opportunity to serve through Rotary we give thanks.
