

WARD'S WORD

This week the Club welcomed **Marcos da Costa Dias** ('Marco' for short), who is part of the Vocational Training Team from **Timor Leste**, who have been sponsored by our District to spend five weeks furthering their English language skills, which they can take back to the schools where they teach. The team is here, thanks to money which has matured from Club contributions to The Rotary Foundation. It is great to see our money in action! After a busy few days, including attending the District Conference, the team are settling in with their host families. **Sue and Paul Hector** are very kindly hosting Marco for the five weeks, so please **contact Sue if you would like to take our guest out to show him the sights** or tour around our beautiful city.

Erica Vidinis, from Campbelltown City Council attended our 917th meeting to tell the club about the new **WWII Monument** that is being constructed on the corner of Darley and Lower North East roads. Council acquired this area of land in 1948 and named it **Campbelltown Memorial Oval** to commemorate those who had served in World War II. No official memorial was established to acknowledge the reasons behind the name, but pine trees were erected along Lower North East Road, which were later removed when the road was widened. In November 2013, Council passed a motion for staff to prepare a design for a **WWII Memorial** at the sight which was subsequently approved as part of the annual budget for 2014/15.

The design is based around a large **curved wall** with three silhouettes and the words '**Lest We Forget**'. Each of the silhouettes symbolises each of the defence forces: Army, Navy and Air Force. Permission was sought to use the current defence force badges, to make the memorial more current.

The plants being used include the traditional rosemary, wattles, Australian natives and carpet roses. In the centre of the gardens will stand a 'globe' made up of several straight pieces of metal, all intricately placed together and each one labeled with a place in which an Australian served during WWII.

Construction started on the memorial in December 2014 and is due to be completed this week, just in time for the **100th anniversary of ANZAC landings at Gallipoli**. There will be an official opening on July 26th, which will be the same date that Campbelltown City Council renamed the plot of land to Memorial Oval. Please contact the council if you would like any more information on 8366 9222.

Ballarat District Conference

Mark and Mari Thompson and myself were the only Club attendees at this year's **District Conference** held at **Ballarat**. With a magician/comedian doubling as EMCEE laughter and fun permeated the event. The Three Waiters (a comedy/operatic parody of the Three Tenors) topped off the enjoyment on Saturday Evening. As timing is everything the Three Waiters actually waited till the reds kicked in for those attending the dinner.

The conference also gave us a chance to catch up with former club members and make new friends from the District.

Next week, **Steve Wright from Headspace** will be telling us a little about this organization and where some of the money raised from The Reel Event, will be going. Mark Thompson will also be giving us a quick synopsis from the **District Conference**.

Dates for the Diary

9 th May	Rotary Race Day
20 th May	The Reel Event
28 th May	Chartering of the Rotaract Club of Sturt
27 th June	Change over breakfast.
5 th – 6 th September	Australian Rotary Success Conference & Rotary Youth Summit

Fact of the Day

A banana typically travels 4,000 miles before being eaten!

Rotary Fact of the Day

The first Rotary Club in Australia was chartered in Melbourne in 1921.

Next Meeting 28st April 2015

Steve Wright from Head Space
Mark Thompson on District Conference

THURSDAYS & FRIDAYS

No Meetings

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

THE INVOCATION

For good food, good fellowship and
the opportunity to serve through Rotary we give thanks.
