

## HILL'S HANSARD

---

I was very pleased to fill in as President at today's meeting for Mina Ward who is sunning herself in the UK. Actually better weather in London than here – min of 13 degrees C and max of 18 degrees C. Mind you it is the end of summer!

As decided at the last Board meeting, one Tuesday morning per month will be devoted to Committee meetings rather than a guest speaker and lively chat, and last Tuesday was the first of those where those present split into one group for the Halloween night, and another to discuss a Magill Traders' Night. There were worthwhile outcomes from both discussion groups.

John Kennedy has unfortunately found himself in the RAH but was expecting to be transferred to the Hampstead Rehabilitation Centre on Thursday 10 September. He is looking forward to receiving many visitors during his stay.

## THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

## THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

## THE INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.
