

COAT'S COMMUNIQUE

ALISON MENAUD: WOMEN'S SAFETY SERVICES SA

Our guest speaker on Tuesday was **Alison Meneaud**, from **Women's Safety Services SA**, also known as the Eastern Adelaide Domestic Violence Service (**EADVS**). Alison described to us, the impact of domestic violence on families, and the services that they provide. As Community Development manager, one of her roles is to foster engagement with outside organisations such as Rotary. Alison described some high value outcomes that cooperation with organisations, such as Zonta, have created. We were proud to **present Alison and EADVS with a cheque for \$1725** from the proceeds of our monthly **Magill Markets**. Each of our markets has a target charity. This helps to keep us all focussed on the fact that we are here to *make a difference* in people's lives. As a spin off Mark Thompson is donating an unwanted flat screen to EADVS, which has already been allocated to a family.

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

THE INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.
