ALEXIZ GERASSIMOU: NYSF ALUMINI

Many of us can recall enthusiastic high school student **Alexis Gerassimou's** presentation to the club when she was a **NYSF attendee**. Alexis (on the right) is seen here with fellow NYSF attendee Kristina in **March 2011**. Yes, Alexis is now 8 years older, but her beautiful smile has not changed.

GUEST SPEAKERS: CARLA AND JACINTA

Our Club sponsored **Carla** and **Jacinta** at this year's **NYSF** (National Youth Science Forum 2019) held in the ACT. Their presentation was polished and interesting, with a seamless tag-team summary of their time in Canberra. Like so many in the past, they obviously enjoyed the whole experience and are further motivated to continue their studies in the fields of biochemistry and engineering. Well done Carla and Jacinta.

PRESIDENT CHRIS, JACINTA AND CARLA

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

THE OPTIONAL INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.
