

CHRIS' CLARION

WELCOME & APOLOGIES:

Apologies: **Chris and Susan Gascoine, Kirsty Stark, Julie Carman and John Kennedy**

GREG SCHUEZE: SUBBING IN AS PRESIDENT

In President Chris' absence I had to get a feel for the job coming my way again soon, so what better way and time than the meeting prior to **my induction as President this coming Sunday**.

GUEST SPEAKERS

It is always so impressive to see students come in to talk who have been to a youth program such as **Science Experience**. By comparison, when I was in year 10, I had no idea what I wanted to do but our 2 participants in this year's Science Experience know exactly where their careers are heading: **Paris Ailion - Astro Physics** and **Lilian Ernst - Human Psychology**. Two impressive girls with big dreams. They had an amazing time over 3 days at **UniSA Mawson Lakes**, playing with 3D imagery, VR headsets, designing houses with 3D graphics, designing an ecological water filter from a coke bottle and making **Pyro Board robots**. **All music to Ian Coats ears**. Thanks girls and all the best for your futures. Their School Science Co-Ordinator, **Josie** and **both mums** were also present to hear their slick presentation. **SEE PHOTO BELOW**

Well, this is **Chris' final week as President**. On behalf of the Club I would like to thank him for all he has put in this year and really look forward to working with him and our other members next Rotary year in moving our club forward.

See you next Sunday morning at my Changeover Brunch.

KIWANIS QUIZ NIGHT

Simon Brewer organised 2 tables (#12 and #13), which were a mixture of friends and members of our Rotary Club for the Campbelltown Kiwanis Quiz night held at the City of Campbelltown's Function Centre last Saturday Night.

Table 13 managed to scramble into 3rd place after a tie breaker. Had Table 13 been able to challenge some 'questionable answers' it may have been able to secure a better placing.

Left over beer and wine, plus some sweet treats from Suzette Coat made for an enjoyable evening.

JOHN CAPOCCIA: TRIBUTE TO MINA WARD

Some club members may remember former club member **John Capoccia**. John was saddened to hear of the death of **Past President Mina Ward** and has made a donation **The Rotary Foundation** in the form of a tribute to Mina. **Thanks John**.

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

THE OPTIONAL INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.
