### MEETING 1081 CHANGEOVER BRUNCH

Well, the **2019 Changeover** has come and gone, and **I am now officially President of the club**. I must admit I wasn't as nervous as I thought I may be on the day as it was a pretty casual affair at **Rusco & Brusco Tigelleria Bar**, who I must say put on a fabulous spread. They will see **Tash and myself** back there again soon!!

We had the usual speeches, with **Lindsay** taking the **MC** lead, with some welcome dignitaries in attendance, namely **Vincent Tarzia**, State Member for Hartley and Speaker of the House, **James Stevens**, Federal Member for Sturt and **Mayor Jill Whittaker** who also won the changeover raffle. **I even had the honour** of taking out the **Rotarian of the Year award** (which from next year will be renamed the **Mina Ward Rotarian of the Year Award**) and I was so very humbled to receive this on the day. I thoroughly enjoyed the fellowship with everyone, including other presidents elect who were all taking notes, as **our club's was the first to changeover for the year**. All in all, it was a very enjoyable morning spent with family and friends and one I hope all members and partners in attendance enjoyed also.

Lastly, a big thank you to **Immediate Past President, Chris Gascoine** for the great work that he and spouse, Susan did throughout the previous year.

**Editor's Questions:** I asked for photos (in my absence) and only received one and what's with the hat from a Harry Potter movie?

## METTING 1082: APOLOGIES & GUEST SPEAKERS

President Greg, had to make an apology for his first Clubroom meeting for the Rotary Year, due to work commitments, but his place was ably filled by **PP Ian Coat**. Debutante Club Sergeant **Simon Brewer** also conducted 'Happy Bucks' and the 'Lucky Card' draw like a pro. Maybe he should have a go public office some day. Simon also had a **corker of a riddle**, 'What becomes smaller when you turn it upside down?' **Hint:** it's not a body part.

It was a **win-win** for the club and our guest speaker, **Julia Langrehr, Executive Officer Cystic Fibrosis SA (CFSA)**. Julia's address was most informative as she went a little deeper than 'what is cystic fibrosis?' so we took away more knowledge about the condition and its treatment. CFSA was also the primary beneficiary from money raised at recent **The Reel Event**, so Julia took away a **cheque from the club**.

**SEE PHOTO BELOW** where Julia is holding a cheque presented by IPP **Chris Gascoine** along with **Susan Gascoine** who the shaker and mover behind the success of this year's The Reel Event.

## THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

## THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

## THE OPTIONAL INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.
