

GREG'S GRAPEVINE

WELCOME: MOLLIE HOHMANN, RYLA

This week we had a visit from **Mollie Hohmann** who is the second secretary at *Rotary Youth Leadership Awards (RYLA)*. Mollie is a past graduate of the RYLA program herself in 2016 and also a **Rotaract member at Adelaide Uni**. A busy girl with her science studies!! Mollie will be participating again this year **but in an organising role** and is drumming up business, looking for new applicants. Our club regularly sponsors RYLA participants and when they tell us of their experiences, a boost in self-confidence seems to be the repeating theme. Well done Mollie and thanks for coming to see us.

Come on Club Members and Friends of the Club let's put on our thinking caps and **look for young adults (ages 18 -25) who would benefit from the RYLA program**. Bulletin Editor, **Thommo**, says he heard a motivational speaker and author **Keith Abraham** say he was a young beach bum and Shire weed eradicator on the NSW Northern Beaches until he reluctantly attended a RYLA program. This experience literally turned his life around. He now addresses corporate heavyweights: <https://keithabraham.com>

BEHIND THE BADGE: ROBYN HOLCROFT

The second part of our meeting was a “**Behind the Badge**” delivered by new Rotary Member **Robyn Holcroft**. I say new Rotary member tongue in cheek as Robyn has only been a member for a few months but has been involved with Rotary for 30 plus years. Behind every great man (hubby and long-term Rotarian **Graham**) is an even greater woman. Now Robyn would have you think she hasn’t really ever done anything special, but I think that anyone who has been a loving “Daughter”, “Wife”, “Mother” and “Grandmother” is an amazing person who really HAS done something!! Born in 1948 she was the middle girl of 3 all born 4 years apart. She excelled at Home Economics at school, which if you have tasted her cooking you will definitely attest to!! She met Graham on a blind date in 1967, became engaged at 21 and married in 1969. Their daughter **Melissa** was born in 1973 and who by coincidence Melissa and I went to high school together. Robyn worked in a variety of occupations, most reception and came out of retirement on 3 occasions to help businesses, struggling to find an ‘equivalent Robyn’. Robyn and Graham are **grandparents** to Kiara and Alex whom they adore and love to have over at every opportunity.

Thank you for the presentation Robyn, for one who was not too keen on the “Behind the Badge” you did a great job!!

Is this a bearhug?

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

THE OPTIONAL INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.
