ANNE RUWOLDT: STEAMPUNK

Our **last meeting** of the year....**meeting 1099**, and what a way to send off 2019 than with a little **"SteamPunk"** presented by **Anne Ruwoldt**. So what is "SteamPunk" I hear you ask....well Steampunk is a **retrofuturistic subgenre of science fiction** or science fantasy that incorporates technology and aesthetic designs inspired by 19th-century industrial steam-powered machinery. Steampunk works are often set in:

- an alternative history of the 19th century British Victorian era – Think the movie "The League of Extraordinary Gentlemen"
- the American "Wild West" – Think Will Smiths movie "Wild, Wild West"
- in a future during which steam power has maintained mainstream usage – Think a recent Peter Jackson movie "Mortal Engines"
- or in a fantasy world that similarly employs steam powered technology – See last movie mention

Now most people that are into "SteamPunk" like to go the whole hog and dress up in period costumes and attend festivals together. Anne advised they have a few get togethers here in Adelaide each year the biggest being **the Adelaide SteamPunk Festival at the National Railway Museum**. Some of the costumes she showed us were absolutely amazing, our editor in chief **Mark** even got to try on a head piece**improvement....you be the judge** (see over page). A very interesting hobby Anne, thank you for coming along and sharing your experiences.

HALF YEAR IN REVIEW

I must say a big thank you to everyone at the club for my first 6 months in charge. We have come a long way from the club that was nearly past tense and **is now on the road to a bright future** with a President Elect and a President Nominee in place. There have been some hard tasks undertaken over these 6 months but we have met them all head on as a group, so I have no reservations in saying we can do bigger and better things over the next 6 months. A big thanks to **Leonie and David** who battle against the odds each Tuesday to provide our breakfast. **Lastly I would like to wish everyone a merry Christmas and a safe and bright New Year. See you all on the 14th January 2020 for meeting 1100!!**

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

THE OPTIONAL INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.
