'WASH YOUR HANDS GEOFFREY': EASTERN HEALTH

Tuesday morning we had a visit from **Eastern Health**....now before you ask what were we busted for it was only to give us a **chat about food safety** and how we can be more safety conscious at our Market and other events. **Alysha** and **Tina** took over the head table and imparted their knowledge and wisdom in all things **health and safety when it came to food service** and I must say people were taking notes (**Colin was in Seventh Heaven**). It is always good to hear ways we can better the safety of our customers at our market and from what these two said we are doing a pretty good job of it. They discussed things like:

- Protection from Contamination
- Cross Contamination
- Cooking and Reheating
- Cleaning and Sanitising
- Temperature Control
- Hand Washing Facilities

Once standout from their message was that **frequent washing of hands in warm soapy water** for as long as it takes to **sing Happy Birthday** can in most cases be better than wearing disposable gloves for a prolonged period. One verse of Happy Birthday should be sufficient <https://www.youtube.com/watch?v=z-1fTISDF0> For Catholics **one Hail Mary** should do the trick.

Thank you, **Alysha and Tina**, we learnt a lot today that we will take into future events!!

NEXT TUESDAY

Next week **Robin Holmes** will talk to us about the bushfires so make sure you are there. Could be an interesting meeting so if you know anyone who may like to join us then invite them along!!

TRIVIA NIGHT: TOWER HOTEL LAST MONTH

After a fine meal, **Team Sunrise** started off with such high hopes at the **Tower Hotel's Trivia Night** but it didn't take long for the team to degenerate into a rabble. Veterans of previous Trivia Night still didn't know the rules (it was better to pass than to guess a wrong answer) and lack of knowledge of music post 1990 was the nail in the coffin. If there is a next time the team needs a blend of young (someone under 50) and old. **One highlight was that the Editor can recommend the Tower's Garlic Prawns.**

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

THE OPTIONAL INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.
