

## GREG'S GRAPEVINE

---

### FIRST 'ZOOM' MEETING

We held our **first Zoom online video meeting on Tuesday** with close to a full house and some very special guests in **Julie-Anne Bennett** from **Love Campbelltown**, **District 9510 DGE David Jones** and **District 9520 Group 7 AG Brian Kretschmer**. As I said on the night it was amazing that we could use technology in such a way as to continue our Rotary meetings and I know that many other service clubs and businesses not just locally but around the world are all adapting to the times and using this or similar means to continue on.

To keep things nice and simple we have pretty much adopted our previous meeting format and tweaked it a little to make it relevant for an online video meeting. I must say that the people that have used a **virtual background** in their video settings has added some humour to the meeting such as **Thommo** sitting with the **Golden Gate Bridge** in San Fran Cisco as his backdrop!! **Simon** gave us an insight into the **basics of Facebook** and for those who have not used it as much as others it was **very informative** and hopefully helps them navigate the site a little easier and with more confidence in the future. My **Wheel of Names** game was interesting and was **won by AG Brian**....whom I will have to buy a **beer in lieu of the \$5 prize**, but if anyone has any ideas for an **online game moving forward please let me know**. The **Wheel of Names** is ok for now but will wear thin in time I am sure, so we need to add a few different games to our repertoire.

Lastly, I must **thank Simon Brewer** for **coordinating the Zoom** meetings for our club. We needed someone to run with this and get it up and running quickly and he didn't even have to be asked he just got straight on it so thanks Simon you have been awesome.

### SPEAKER NEXT WEEK: BE PREPARED, IT COULD BE YOU

We are looking for a speaker next week, but I think if **no-one wants to chat for 10-15 minutes**, we may just do a **2-3-minute talk each** on how we are **bunkering down at home during this period**....if that's ok with everyone so have something prepared. **See you all next Tuesday, 5.30pm!!**

**HAVE YOU SEEN ANY OF THESE PEOPLE?: THEN CALL THE COPS**

## **SIMON SAYS: HOW TO QUICK LINK TO ZOOM**

Hi Everyone,

OK, we had a couple of glitches and started a bit late this evening, but I really think we started to find our mojo there and got better as we went on, so sincere thanks for your patience. And thank you to our special guest visitors for stopping by and joining with us; very much appreciated.

You can view the video of our meeting at this

link: [https://us02web.zoom.us/rec/share/yuNnl\\_Ls31FleJ391GXPcf4iO73baaa80CRK-aUExBllIV43Ls2ZZWid6Mkci8tS](https://us02web.zoom.us/rec/share/yuNnl_Ls31FleJ391GXPcf4iO73baaa80CRK-aUExBllIV43Ls2ZZWid6Mkci8tS)

One thing you will see on the video is that it jumps around a lot between different speakers, particularly Robyn & Graham. That's simply because they were using their phones in hands free "speaker" mode, so one phone could hear the other and thought someone was speaking. It was similar with Colin & Pauline. It's not a huge issues, but as time goes on we'll need to get used to using our mute buttons when we're not speaking.

**A reminder that full details for connecting to our meetings are on the club web**

## USE THE CLUB WEBSITE

**All you have to remember is that it's on the club web site and you should be able to find it easily enough** If we could all please try to **join in at least 5 minutes prior to the meeting start that would be great**. Note that you could join the meeting anytime during the day and just sit there in the "waiting room". If you do that in plenty of time prior to the meeting you'll know you're connected and everything is working OK.

**Apologies to Bernard who had troubles connecting**. I will make contact with him before next week and work through it so that all hopefully goes well for next meeting.

Hopefully the Facebook thing was helpful. Due to time constraints I probably cut it short by about 5 mins and did rush a few concepts, but I hope everyone got a little something useful out of it.

Thanks again and look forward to seeing you all next week!

Cheers,  
SB

## THOMMO'S JOKE

In a time far into the future when intelligent life had evolved on Mars, 2 of the residents were staring at the blue planet earth. One Martian asked the other 'what ever happened to the humans'? The other Martian replied 'Well, they had a Toilet Paper War and wiped each other out'.

## THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

## THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

## THE OPTIONAL INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.
