### 'ZOOM' MEETING #2

We had a full house of heads on our Zoom Meeting board this week and it was great to see **Graham and Robyn and also Bernard** for the first time. As we didn't have a guest speaker lined up, I thought I would go around the board to see what people are doing in isolation. Below is an outline, no names mentioned:

- Most members still working are working from home. All are enjoying their canine companions and all missing the social interaction of going into work.
- Some members are missing the outings they could undertake prior to the virus.
- Some members are taking walks and finding ways to keep fit.
- Other members are cooking, doing jigsaws and crosswords, playing games and painting to keep occupied.
- EVERYONE is missing their families; most though are finding ways to stay connected online.

It is a strange time which we will have to tough out for a little while longer yet. We are very lucky that we all have good relationships within our club and are a pretty close group. **Make sure you reach out to at least 1 member of the club each week for a quick phone or online chat just to make sure everyone is OK!!** If you or anyone you know is feeling down or lonely remember there are professional organizations who can help such as Lifeline who are offering special services for the period of the COVID-19 Crisis. Details are below:

- Phone: 13 11 14 (24 hours/7 days)
- Text: 0477 13 11 14 (6pm – midnight AEDT, 7 nights)
- Chat online: <https://www.lifeline.org.au/crisis-chat> (7pm - midnight, 7 nights)

### MULTI SPEAKERS NEXT WEEK:

At **next Tuesdays meeting** we will have our first guest speakers join us online. **Carla Anderson – National Director for Able Australia** – (She will be joining us from Melbourne), **Alisha Hill** – SA Co-ordinator for Able Australia plus Auslan **Signing Interpreters Heather Loades and Emma Cresdee. Able Australia is the charity we have pledged \$3000 to get some DeafBlind individuals to a camp sometime this year (hopefully).** The significance of them joining us is **Carla Anderson is deaf so she will not be able to hear the meeting, hence the Auslan interpreters.** She is also non vocal; the interpreters will convey to the meeting her words. **Alisha is classed as deaf/blind but she will be wearing a hearing device so she should be able to hear the meeting**

and is vocal. She will be doing most of the presenting. It promises to be an amazing meeting so I hope you can all make it.....SEE YOU THEN!!

## SIMON SAYS: HOW TO QUICK LINK TO ZOOM

Hi Everyone,

OK, we had a couple of glitches and started a bit late this evening, but I really think we started to find our mojo there and got better as we went on, so sincere thanks for your patience. And thank you to our special guest visitors for stopping by and joining with us; very much appreciated.

You can view the video of our meeting at this

link: [https://us02web.zoom.us/rec/share/yuNnl\\_Ls31FleJ391GXPcf4iO73baaa80CRK-aUExBlllV43Ls2ZZWid6Mkci8tS](https://us02web.zoom.us/rec/share/yuNnl_Ls31FleJ391GXPcf4iO73baaa80CRK-aUExBlllV43Ls2ZZWid6Mkci8tS)

One thing you will see on the video is that it jumps around a lot between different speakers, particularly Robyn & Graham. That's simply because they were using their phones in hands free "speaker" mode, so one phone could hear the other and thought someone was speaking. It was similar with Colin & Pauline. It's not a huge issues, but as time goes on we'll need to get used to using our mute buttons when we're not speaking.

**A reminder that full details for connecting to our meetings are on the club web**

## USE THE CLUB WEBSITE

**All you have to remember is that it's on the club web site and you should be able to find it easily enough** If we could all please try to **join in at least 5 minutes prior to the meeting start that would be great**. Note that you could join the meeting anytime during the day and just sit there in the "waiting room". If you do that in plenty of time prior to the meeting you'll know you're connected and everything is working OK.

**Apologies to Bernard who had troubles connecting.** I will make contact with him before next week and work through it so that all hopefully goes well for next meeting.

Hopefully the Facebook thing was helpful. Due to time constraints I probably cut it short by about 5 mins and did rush a few concepts, but I hope everyone got a little something useful out of it.

Thanks again and look forward to seeing you all next week!

Cheers,  
SB

## THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

## THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

## THE OPTIONAL INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.
