

GREG'S GRAPEVINE

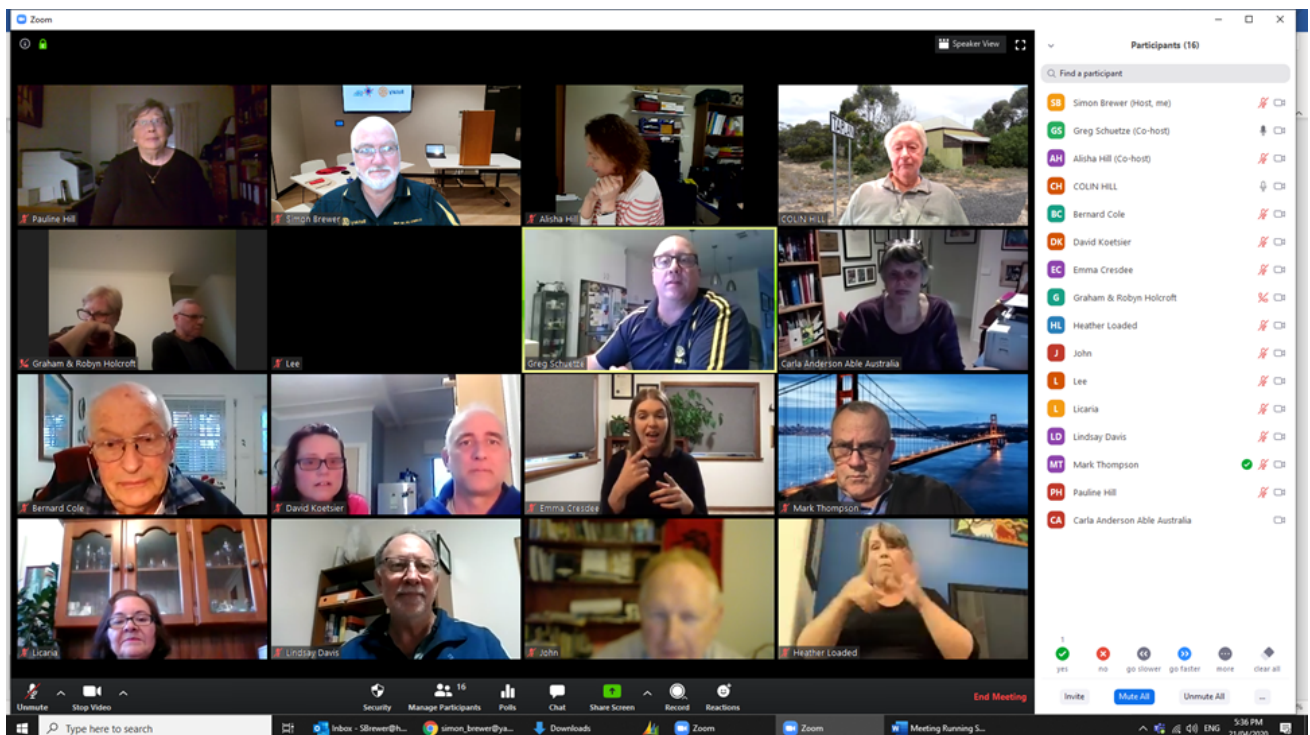

'ZOOM' MEETING #3: ABLE AUSTRALIA

We had another great turnout at Tuesday's meeting with all but one member in attendance. We also had our guests from **Able Australia (Alisha and Carla)**, our guests from **Sign Language Australia (Emma and Heather)** and some outsiders in **David and Sabrina Koister** from RC Morialta and past member **Licaria Scheepers**. It was awesome to see such a large Zoom meeting screen in action and was the first time we have had to mute all but the talkers due to the larger attendance.

Our **guest speakers this week were from Able Australia**, an organization we have recently joined with to support some individuals go to a **DeafBlind camp** in the not too distant future (hopefully). So, this was the topic of their presentation and wasn't it amazing to see them present with the help of technology. We had **Carla** up first who signed her part of the presentation and was supported by **Emma and Heather** from Sign Language Australia who interpreted her signing so we could understand what she was saying. Carla described how the camp run by **Able Australia has been operational for around 20 years** and started for people predominantly afflicted with Ushers Syndrome where they see the world through pin pricks. It has grown since and today the camp **helps support those in the DeafBlind community** by allowing them to meet and learn from others who share similar struggles, and to learn new skills, whilst having fun and making lasting bonds. This camp helps those who are DeafBlind come to terms with their disability and enables them to interact with those similarly affected.

Alisha was up next, and she walked us through the **typical activities** that they get up to on the camps, in particular a recent one that was held just before restrictions were brought in at **Phillip Island**. She described how Phillip Island was perfect for Able Australia's camps due to its size and accessibility for DeafBlind people. This camp had people from all over Australia attended with 38 DeafBlind individuals and 2 volunteer support staff for each person. It is amazing to hear what sorts of activities they do and from this you can understand how it would be so beneficial to the DeafBlind individuals' growth and confidence...activities like canoeing, craft workshops, archery and swimming, not to mention the Saturday night dress up Disco. From the slideshow and the way Alisha described the camp it looked and sounded like everyone had an absolute blast!!

Thank you for joining or Zoom meeting Carla, Alisha, Emma and Heather, it was awesome to see you guys work together to give us that presentation and thank you to David, Sabrina and Licaria for joining us also.

SIMON SAYS: HOW TO QUICK LINK TO ZOOM

Hi Everyone,

OK, we had a couple of glitches and started a bit late this evening, but I really think we started to find our mojo there and got better as we went on, so sincere thanks for your patience. And thank you to our special guest visitors for stopping by and joining with us; very much appreciated.

You can view the video of our meeting at this link: https://us02web.zoom.us/rec/share/yuNnl_Ls31FleJ391GXPcf4iO73baaa80CRK-aUExBlllV43Ls2ZZWid6Mkci8tS

One thing you will see on the video is that it jumps around a lot between different speakers, particularly Robyn & Graham. That's simply because they were using their phones in hands free "speaker" mode, so one phone could hear the other and thought someone was speaking. It was similar with Colin & Pauline. It's not a huge issues, but as time goes on we'll need to get used to using our mute buttons when we're not speaking.

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

THE OPTIONAL INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.
