### 'ZOOM' MEETING #8: SPECIAL GUEST JILL WHITTAKER

We had another great turn out to our Zoom meeting this week and also had our **Campbelltown Mayor Jill Whittaker** in attendance. This week our Covid Icebreaker question was: **"If you had to eat one meal every day for the rest of your life, what would it be?"** Meals included:

- Steak and chips
- Bacon and eggs
- Roast pork and veggies
- Slow cooked Irish stew
- Mexican schnitzel and chips
- Any curry and rice

I have to stop there as I am getting hungry again as I write this and I just ate dinner!! Our discussion topic for the night was tell us something you have discovered whilst in lock down mode or something of interest to share with the club. We heard a number of different things:

- **The \$2 coin has an actual historical aboriginal figure on it not just a random image: Aboriginal Elder, a Walpiri-Anmatyerre, one of the only survivors of one of the last recognised massacres of Aboriginal people by the British- the 1928 Coniston massacre in central Australia.**
- **We were given a verbal tour of Taplan a town in the Murray Mallee region of South Australia near the border with Victoria.**
- **Some who still worked enjoyed their time working from home where others were not so keen.**
- **Hot spotting is a real thing and is quite simple to setup as another form of connecting to the internet.**
- **Tony Burrows was a British performer who had 5 hits with 5 different bands**
- **The Good, the Bad and the Ugly of Zoom Meetings**

There were a few more interesting things learnt but unfortunately, I did not note these....oops!!

### VIRTUAL QUIZ NIGHT

Remember to have a **good think on the idea put forward last week for us to host a virtual online quiz night** and have some ideas on how we can get this underway **in lieu of the Reel Event this year**. See you Tuesday for my last meeting in charge as President.

## SIMON'S QUIZ QUESTION

Who was Edward Colston, who's statue was recently tipped in Bristol Harbour?

Thanks for filling in the gaps with a history lesson Simon.

## THOMMO'S JOKE:

An irate Husband was heard to exclaim, 'I'm Mad', to which his wife responded with 'Again or Still?'

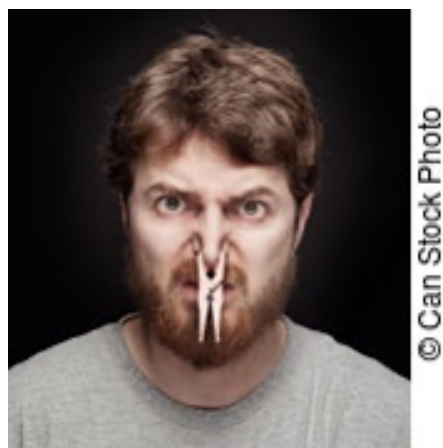

---

OK that one sucked, how about:

**An impatient man was waiting at his front door letter box, expecting a large envelope with fragile contents. It finally lands in the front hallway with the words 'DO NOT BEND'. He spent the next 2 hours trying to figure out how to pick it up.**

**Pathetic Thommo!**

## THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

## THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

## THE OPTIONAL INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.
