TIME TRAVEL WITH THOMMO

NO GUEST SPEAKER: MEMBERSHIP VIA THE MONTHLY MARKET WELCOME AND APOLOGIES:

Yippee! No apologies post Public Holiday. That must be a first. Well Done.

SIMON'S QUIZ QUESTION: WHAT ARE THE ORIGINS OF EASTER EGGS AND HOT CROSS BUNS?

None of had a clue, but here's something on Easter Eggs:

According to some sources, the Easter bunny first arrived in America in the 1700s with **German immigrants** who settled in <u>Pennsylvania</u> and transported their tradition of an egg-laying hare called "Osterhase" or "Oschter Haws." Their children made nests in which this creature could lay its coloured eggs. Eventually, **the custom spread across the U.S.** and the fabled rabbit's Easter morning deliveries expanded to include chocolate and other types of candy and gifts,

while decorated baskets replaced nests. Additionally, children often left out carrots for the bunny in case he got hungry from all his hopping.

There are many theories on the **origin of Hot Cross Buns**.

One theory dates back to the 14th century when an Anglican monk baked the buns at St Albans Abbey and called them the 'Alban Bun'. He then distributed them to the poor on Good Friday. They soon gained popularity around England and became a symbol of the Easter weekend. In 1582, the London clerk of markets issued a ban on the sale of the buns by bakers. This was because of superstitions that the buns carried medicinal or magical properties. Elizabeth I of England passed a law permitting them only to be sold at Easter and Christmas. The English got around this law by baking the buns at home and eventually the law was rescinded due to the popularity of the treat.

SIMON'S ICE BREAKER

What peeves you the most?

This question opened the flood gates. The murder of the **English language** to **bad driving** were just a few of many things that get up our noses.

SUZETTE COAT: HONORARY MEMBER

It is with pleasure to announce that at our last Board Meeting we voted to make **Suzette Coat** an '**Honorary Member'** of the Club, which has been endorsed by Rotary International. **Suzette**, **the honour is all ours**. **Suzette** is seen letting off steam between Hubby Ian and Colin after a hard day's work at last year's **Hawker Hay Run**

MAGILL MARKET

It's on again this coming Sunday. Bring a wind break it may be cooler. Good weather for BBQ Sales.

PAULINE'S TOPIC: INCREASING MEMBERSHIP VIA MARKET ET AL

In lieu of Guest Speaker, Pauline (also pictured above) raised some good points for discussion. Some that occupied most of our time were:

- wasting an opportunity to recruit new members whenever we run the monthly market
- failure to survey attendees at the market regarding converting some worthy passion they have into driving it through club membership
- remaining as a breakfast club when the majority of members no longer go off to work post meeting

We all agreed that we fail to blow our own bags regarding the worthy works that our club funds and we should make market attendees aware of what we do with a view to recruiting new members. Promos and attendee surveys can remedy this. See a promo below that Simon knocked out for this Sunday. Regarding remaining as a breakfast club, yes most of the members are out of whack with the concept, but changing makes us the same as 2 other Rotary Clubs in the City of Campbelltown and maybe there

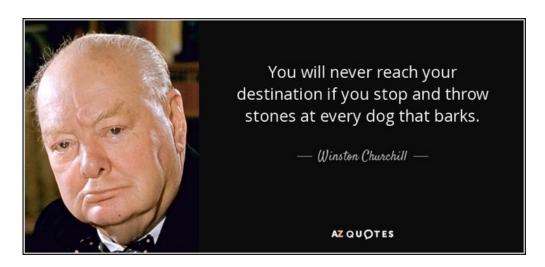

is no reason not to amalgamate. In addition, the 3 remaining members in the workforce strongly prefer the breakfast club concept.

Let's get cracking on working out an appropriate survey and market Promos for self-promotion.
