

TIME TRAVEL WITH THOMMO

'MAY THE FOURTH BE WITH YOU' (SAY IT WITH A LISP)

WELCOME AND APOLOGIES:

No guest speaker this morning, plus a couple of apologies, but we had a **summary of last Sunday's District Assembly.**

WELCOME DON

Simon, invited his young neighbour, **Don**, to our meeting, with a view to perhaps joining the Club. Don was impressed with the President's Steam Punk Hat. That's at least something.

SIMON'S ICE BREAKER

Name somewhere that you consider to be worst place that you've visited and never want to see again

Well, this question threw up responses that were expected, but a few others that were surprises. The President's choice was Terowie (I don't give a buggar what General MacArthur said on the platform in 1942).

SIMON'S QUIZ: WHAT DID DARTH VADER REALLY SAY?

As it's May 4th (*may the Fourth be with you*) Simon's question was linked to Star Wars. **Darth Vader did not say, 'Luke, I am your father', so what did you say?** Well, in response to Luke accusation that Darth killed Luke's father Darth said, '**No, I am your father**'. Bernard still doesn't know what's going on.

DISTRICT 9510 ASSEMBLY: SUNDAY 2 MAY

Three club members (**Mark, Ian and Simon**) attended **District 9510's Assembly** held at Prince Alfred College. **Lindsay** was an apology due to the dreaded Man Cold, post flu vax, which carried over to being apology at Tuesday's meeting.

In addition to the plenary session held in the College Theatre there were spoiled for choice with around another 60 sessions to choose from thereafter. In coming DG Jeff Neale had a lot of positives. **One of RI's themes** in the coming year will be '**empowering girls and women**' and a couple of points from Jeff that resonated with me were '**don't just sell sausages, tell 'em why you are selling sausages**' (club image) and tell people that you are starting a project and brag to them when you've completed it. He reiterated RI's message that **each member needs to recruit another** to hit RI's target of a 30% increase in membership.

Ian did an **excellent presentation** on the **Club's Monthly Market**, but in some ways his words of wisdom were wasted because most of those attending were already running successful markets themselves, be they similar to our own or the sale of second books.

Your Club President was surprised to see on the agenda **that he was also presenting**. As the new keeper of the Key for *Roadsafe Youth Driver Awareness's* trailer, replacing Brad Silby, my name was substituted for Brad's as a presenter; trouble is no one told me. Anyway, it was a bloody shambles, but I could share the love with 2 other presenters on Youth Programs.

Speaking of Youth, as we have no club member with a current Police Check, **I attended DG David Jones presentation of Youth Protection** just to make sure that we are not in breach of any rules and as it turns out we are not, so long as 2 'Responsible Adults' are in attendance with a participating 'youth'. Rotary's definition of 'youth' is anyone up to age 25.

Ian Doing His Thing

Note, the above photo has breached most of the rules that we learned about the use of photos in Bulletins and other Promo material. Have a good hard look at yourself Simon.

Here's a better shot from Simon at another session.

MARKET THIS COMING SUNDAY

It's all hands to the pumps on Sunday and **do your best to be there on Saturday arvo at 2:00 PM to help set up the Mother's Day theme.** Simon, Graham and Robyn are unable to attend on Saturday, so **your attendance would be appreciated.**

LUCKY CARD \$50 NEXT WEEK

Sgt Simon Says that **we will keep drawing cards until the lucky card is drawn.** Be there on miss the chance to pick up a lazy \$50.

PRESIDENT'S THOUGHT FOR THE DAY

'Patriotism is when love of your own people comes first; nationalism, when hate for people other than your own comes first.'

Charles de Gaulle

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

THE OPTIONAL INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.
