

TIME TRAVEL WITH THOMMO

SHELTER BOX AND 25TH ANNIVERSARY

WELCOME AND APOLOGIES:

Welcome to **Dan Edmonds**, Area Coordinator for **Shelterbox** and welcome once again to prospective member **Don**. Four apologies, which was bad luck because Dan's presentation was first class.

Dan to the forefront surrounded by club members

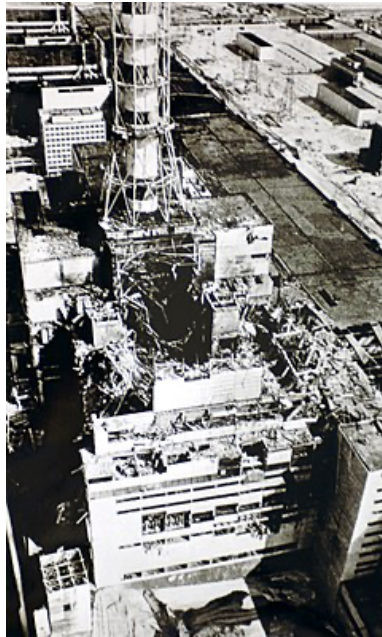

SIMON'S ICE BREAKER

'Trolling back 25 years and more for some of you, what was your most memorable Rotary Moment?'

Gee, there were some good memories dragged up answering this Ice Breaker. From personal experience, I'd have to agree with Col; **the Rotary World Conference held in Sydney in 2014**. We even had our own dedicated platform and train from Sydney Central to Homebush. In addition to some excellent platform speakers, the closing concert/ceremony was something I'll never forget, featuring Human Nature, The Ten Tenors, and others.

SIMON'S QUIZ: WHAT CAUSED THE CHERNOBYL MELTDOWN IN 1986?

Yep, most of guessed 'lack of water', but the rich irony of the disaster was that **the meltdown was brought on by a Safety Test**, which was a simulation of an electrical power outage to help create a safety procedure for maintaining reactor cooling water circulation until the back-up electrical generators could provide power. Three such tests had been conducted since 1982, but they had failed to provide a solution.

DAN EDMONDS: SHELTERBOX

Most of us can recall Dan, setting up a few months back at our Market, where Shelterbox was the prime beneficiary from our takings on the day. We also chipped in a bit more. I also noticed that **patrons of the BBQ stand were willing to chuck in loose change and make donations when they saw the promo for Shelterbox**, plus a bit of BS from me.

Dan's photos reminded us that a shelterbox can save an individual or a community. We manage to donate a couple of shelterboxes each rotary year. Yes, we can track where they go, but who cares where they end up, so

long as Rotary Clubs keep pushing them through. Shelterbox ambassadors can get priority travel to any disaster in the world to make an assessment for a quick response.

I was also impressed with the use of solar batteries that powered lanterns and other nifty gizmos.

In addition to the Shelterbox there are smaller kits that can just give a leg up to disaster victims, without going the whole 9 yards. *'Give a man a fish.....teach a man to fish'*

Well done Dan. I guess Gaza is next on the list.

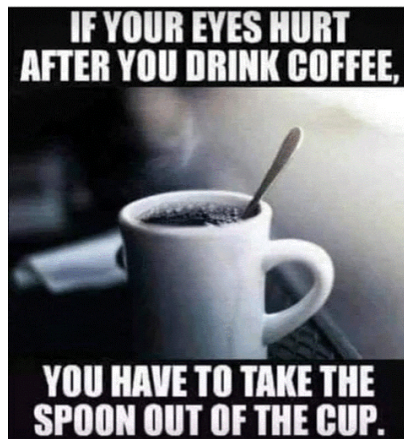

THE MOVE TO HECCIES

A small team will be gathering at the CMO at 11:30 AM on Friday 29 May to load Chris' trailer with our tambour cupboard. Make sure that those helping bring some boxes and crates to carry, crockery, frypans etc.

The Board held our meeting Wednesday in the Heccies boardroom adjacent to the dining hall. Apart from parking, everything was fine, including meals. **We should be able to key and code in on Friday 29th and be ready for our first meeting on Tuesday 1 June and parking at 7:00 AM should be fine.** Hey Lindsay/Simon you can get Don up to speed on the location.

LUCKY CARD BACK TO \$5: JACKPOTING \$10 NEXT WEEK.

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?

THE OPTIONAL INVOCATION

For good food, good fellowship and the opportunity to serve through Rotary we give thanks.
