

SIMON'S SOLILOQUY

SIMON'S FIRST MEETING AS PRESIDENT AT HECCIES, WELCOME & APOLOGIES: Apologies from Ian, who had pressing work matters.

OUT WITH THE OLD, IN WITH THE NEW

OPENING REMARKS/PRESIDENT'S REPORT

- First week of July is **NAIDOC Week** – great to start our first meeting with regular acknowledgement in such an important week
- Thanked everyone for the amazing support at the changeover and finally handed Mark his RI year banner
- Noted a very **Happy Birthday and welcome now as a full member to Don Suneth**. Don provided cake for everyone and as the Covid rules had been changed to allow it, **we sang a rousing rendition of Happy Birthday**

Other Directors Reports:

- Noted the event held Saturday in support of Ladies Day at Hectorville Sports & Community Club. **Graham** thanked everyone who was able to assist. **Bill Leo** from Heccies sent text and thanked us for our support.

- Reminder of the **Market this coming Sunday**. Greg reported that **32 stalls have signed up** (showers predicted)

Club Assembly:

President Simon led discussion around plans for the coming year, including the following topics:

- New Logo and Club Brand
 - Club Shirts, Club Badges
 - Market continuing success and growth – and don't forget we have cultivated the **Repair Café** through this work, which is a huge community building exercise
 - Opportunity in October for coupling with the market with the **Rice for Cambodia Walkathon** (to be confirmed)
 - Noted the work by **Suzette Coat** on use of *Clockify* to record volunteer hours. We should probably adopt this
 - Great work last weekend further bonding with Heccies, which is partially due to the Board meeting at the club and cultivating a relationship with club leaders. We need to continue building that relationship as there are great opportunities to work together
 - **Ian & Suzette** to lead Environmental initiatives. If we can get behind them for Calperum, Campbelltown Community Nursery and other initiatives that would be great
 - **Work on Quiz Night**, still targeting **Magill RSL**, but maybe we need to consider another venue? Let's have a table at the **Morialta Quiz Night 14th August** and steal some ideas!
 - Reminder this is **YOUR club** and we need to float and discuss ideas together
-

Other points to note that were not mentioned due to time constraints:

- **Colin & Chris** to continue work on Nightingale Park to see if we can get that happening
- **The Reel Event** still on the agenda; might be May next year at this late stage – stay tuned
- **Club Assembly once per month** on various discussion topics
- Like to have **joint meetings** at least once per year with **C'town and Morialta clubs**

MINA WARD'S MUM SAYS THANKS

Our parcel which contained the late **Mina Ward's mascot**, Minnie, has just arrived in the UK. Mina's mother, **Rosemary Barnard** is most appreciative and has sent us the photo below. We also gave Rosemary an Aussie Rotary Centenary Coin. **Minnie** will now take pride of place at Rosemary's home.

SGT PAULINE'S: THIS DAY IN HISTORY

On the 6th July 1945 Abbott and Costello's film "The Naughty Nineties" was released featuring the longest version of what famous routine.

Answer: "Who's on First" <https://www.youtube.com/watch?v=kTcRRaXV-fg> Still funny. Some knew the answer.

SGT PAULINE'S: QUIZ QUESTION

Who wrote the 4 Way Test and why? Hey, not one of us knew this curly one.

Answer:

One of the world's most widely printed and quoted statements of business ethics is **The 4-Way Test**, which was created in 1932 by Rotarian Herbert J. Taylor (who later served as RI president) when he was asked to take charge of the **Club Aluminium Products Distribution Company** that was facing bankruptcy. This 24-word test for employees to follow in their business and professional lives became the guide for sales, production, advertising, and all relations with dealers and customers, and the survival of the company is credited to this simple philosophy. **Adopted by Rotary in 1943, The 4-Way Test has been translated into more than a hundred languages and published in thousands of ways.**

THOUGHT FOR THE DAY

'If civilization is to survive, we must cultivate the science of human relationships - the ability of all peoples, of all kinds, to live together, in the same world at peace.'

THE OBJECT OF ROTARY

The Object of Rotary is to encourage and foster the ideal of service as a basis of a worthy enterprise and in particular to encourage and foster:

The development of acquaintance as an opportunity for service.

High ethical standards in business and professions: the recognition of the worthiness of all useful occupations: and the dignifying by every Rotarian of their occupation as an opportunity to serve society.

The application of the ideal service by every Rotarian to their personal, business and community life.

The advancement of international understanding, goodwill and peace through a world fellowship of business and professional people united in the ideal of service.

THE FOUR WAY TEST

The Four Way Test of the things we think, say or do:

Is it the truth?

Is it fair to all concerned?

Will it build goodwill and better friendships?

Will it be beneficial to all concerned?
