Welcome & Apologies

Apologies from John

A warm welcome to Assistant Governor Brian Kretschmer, Wade Della Torre, Campbelltown Council and Joe Marchington, Burnside Council.

- Well done to everyone who was involved in the recent social visit to the SA Police Museum. It sounds like it was a fantastic visit and there were many interesting exhibits to see and stories to hear.
- Our huge Christmas market is on this weekend with monies raised going towards **Operation Flinders** and **NMHS rowing team**. Greg advised that we will have a huge 41 stalls both days, which given our Covid capacity constraints is an amazing achievement. Our record is 45 stalls and when we're back to normal we will surely surpass that. Well done to everyone involved!
- ADG Brian was able to secure us an additional six raffle books for the Polio raffle, bringing our total to 12. That's a great number to sell at a market or two. All sales are counted towards our club fundraising. The raffle is drawn in April, so we will attempt to secure the Polio Ute for a market in Jan, Feb or Mar and, subject to endorsement from the Market Committee/Board, will direct our Market proceeds to that cause as well as ticket sales.

ROTARY MASKS

Rotary masks are available from Colin at \$5.00 each. They will be at the market if you need any. Those who have taken masks and not paid please pay Colin rather than the club account.

Guest Speakers: Wade Della Torre & Joe Marchington MAGILL VILLAGE PROJECT

Our special guests from our local Councils came along to update us on progress with the Magill Village project. "Makgill" as it originally was called, or "World's End", was founded in 1838 by mainly Scottish immigrants. In 1842 the land holders subdivided and created the heart of Magill as it was then named and known as since.

In 1844 Penfolds was established and in 1887 Bennetts Pottery was founded. In fact, we were told that pottery was an important early industry due to the clay deposits in the area.

The Magill Village is a joint project of the Federal, State and Local Governments to improve the main heart of Magill, mainly centring on Magill Road at this stage. It has been in planning since 2011 and power line undergrounding has been completed as a preliminary step.

On 19th November a grand opening was held for the project and the lead contractor, Camco SA was announced. Works are scheduled to start this month. There will be paving, tree and garden planting, public art, parking bays and considerable street-scaping works, particularly around the Magill/St Bernards/Penfolds intersection. A section of Magill Rd will be reduced to a 40 km/h speed limit.

One innovative feature they hope to employ is the use of a thermoplastic road seal, which has been used in New Zealand. Trials are now being conducted to see if it will cope with our harsh summer heat. Wade and Joe showed us samples of the materials to be used and several concept drawings in their excellent presentation.

We're very excited about this project and can see an involvement for the club, possibly around creation of a local business networking group, or contributing to some material feature of the project. Hey we're open to any ideas that are practical within our club constraints, so if anyone has ideas then let's hear about them. Overall a great project and we can't wait to see it all happen.

Upcoming Events

Saturday 11 December
Sunday 12 December

2 DAY MEGA CHRISTMAS MARKET

Campbelltown Memorial Oval - 9.00am until 1.00pm

Saturday 19 December

CHRISTMAS AT THE BREWER'S at 12.00 NOON

24, Sheoak Drive, Athelstone, SA. 5076

Please bring your own drinks to the function.

See Lindsay if you wish to attend.

Turkeys without a clue

CHRISTMAS IS COMING

Ice Breaker

With the introduction of the new Covid variant do you think we have opened the border to SA too soon, or do you think it is time we just learnt to live with it and get on with our lives.

Some of the answers were unprintable, however, the majority thought that everyone should be double vaccinated and be lining up for the booster.

As far as the borders go, most agreed they should be opened but perhaps it was done a bit too early before Christmas.

4 the Way Test

... OF WHAT WE THINK, SAY OR DO

1. Is it the **TRUTH**?
2. Is it **FAIR** to All Concerned?
3. Will it Build **GOODWILL** and Better Friendships?
4. Will it Be **BENEFICIAL** to All Concerned?

Quiz Question

Between which two cities and in which country would you find the Newer Volcanic Province which has about 400 volcanoes and stretches just under 500kms?

Answer: Between Mt Gambier and Melbourne in Australia. Mt Gambier and Mt Schank are considered to be the most dangerous in the area.

Mt Gambier, SA

Mt Schank, SA

SERVE TO CHANGE LIVES

Secretary

Colin Hill

In the spirit of reconciliation, the Rotary Club of Magill Sunrise acknowledges that we meet on the traditional country of the Kurna people of the Adelaide Plains. We recognise and respect their cultural heritage, beliefs and relationship with the land and pay our respects to their elders past and present.
